The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

#### **SUPPLEMENTARY INFORMATION:**

**Background.**—On September 6, 2019, the Commission determined that the domestic interested party group response to its notice of institution (84 FR 25567, June 3, 2019) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant

conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**Staff report.**—A staff report containing information concerning the subject matter of these reviews will be placed in the nonpublic record on October 11, 2019, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

**Written submissions.**—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to these reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to these reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before October 18, 2019 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by October 18, 2019. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s rules with respect to filing were revised effective July 25, 2014. See 79 FR 35920 (June 25, 2014). The Commission’s *Handbook on Filing Procedures*, available on the

<sup>1</sup> A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements will be available from the Office of the Secretary and at the Commission’s website.

<sup>2</sup> The Commission has found the responses submitted by Bristol Metals, LLC, Felker Brothers Corp., Webco Industries Inc., and Primus Pipe & Tube to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to these reviews must be served on all other parties to these reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Determination.**—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1415 (Final)]

### Glycine From Thailand

#### Determination

On the basis of the record<sup>1</sup> developed in the subject investigation, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of glycine from Thailand, provided for in subheadings 2922.49.43 and 2922.49.80 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”).<sup>2 3 4</sup>

<sup>1</sup> The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

<sup>2</sup> 84 FR 37998, August 5, 2019.

<sup>3</sup> Commissioners Randolph J. Stayin and Amy A. Karpel did not participate in this investigation.

<sup>4</sup> The Commission also finds that imports subject to Commerce's affirmative critical circumstances determination are not likely to undermine seriously the remedial effect of the antidumping duty order on Thailand.

#### Background

The Commission, pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)), instituted this investigation effective March 28, 2018, following receipt of petitions filed with the Commission and Commerce by Chattem Chemicals Inc., Chattanooga, Tennessee, and GEO Specialty Chemicals, Inc., Lafayette, Indiana. Effective October 31, 2018, the Commission established a general schedule<sup>5</sup> for the conduct of the final phase of its antidumping and countervailing duty investigations on glycine from China, India, Japan, and Thailand, following notification of preliminary determinations by Commerce that imports of glycine from China and India were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports of glycine from India and Japan were being sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)).<sup>6</sup> Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on December 3, 2018 (83 FR 62345).<sup>7</sup> The hearing was held in Washington, DC, on April 30, 2019 and all persons who requested the opportunity were permitted to appear in person or by counsel. On May 1, 2019, Commerce published its final affirmative determinations for its countervailing duty investigations for glycine from China and India and also for its antidumping duty investigations for glycine from India and Japan.<sup>8</sup> On April 24, 2019, Commerce postponed until further notice the issuance of the final determination regarding glycine from Thailand. (See Memorandum from Gary Taverman, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Jeffrey Kessler, Assistant Secretary for Enforcement and Compliance, “Postponement of the Final Determinations in the Less-Than-Fair Value and Countervailing Duty Investigations of Glycine from Thailand,” April 24, 2019.) The

<sup>5</sup> 83 FR 62345, December 3, 2018.

<sup>6</sup> Commerce issued preliminary negative determinations on its antidumping and countervailing duty investigations for glycine from Thailand (83 FR 54717 and 83 FR 44861).

<sup>7</sup> Due to the lapse in appropriations and ensuing cessation of Commission operations, the Commission published its revised schedule on February 12, 2019.

<sup>8</sup> 84 FR 18489, 84 FR 18482, 84 FR 18487, and 84 FR 18484, respectively.

Commission issued its affirmative determinations for its countervailing duty investigations for glycine from China and India and its antidumping duty investigations for India and Japan on June 14, 2019.<sup>9</sup> Following notification of a final determination by Commerce that imports of glycine from Thailand were being sold at LTFV within the meaning of section 735(a) of the Act (19 U.S.C. 1673d(a)),<sup>10</sup> notice of the supplemental scheduling of the final phase of the Commission's antidumping duty investigation with respect to glycine from Thailand was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing notice in the **Federal Register** of August 23, 2019 (84 FR 44334).

The Commission made this determination pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determination in this investigation on October 8, 2019. The views of the Commission are contained in USITC Publication 4977 (October 2019), entitled *Glycine from Thailand: Investigation No. 731–TA–1415 (Final)*.

By order of the Commission.
