Accordingly, the Commission designates the proposed rule change to be operative on upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SUPPLEMENTARY INFORMATION:
Title: Uses of Award Report Form.
OMB Number: 1559-0032.

There is no significant content change to the form, however the format will be revised to: (1) Include a system-generated validation data point to capture Persistent Poverty County investments made by BEA Program Recipients; and (2) display a table that describes and easily identifies which data points are collected for each

program (BEA, CDFI, NACA Programs). The revised form is also consistent with the format of the CDFI Fund's Annual Compliance report.

The Uses of Award Report Form may be obtained from the CDFI Fund's website at <http://www.cdfifund.gov/bea> under How to Apply Step 4: Compliance and Reporting or <http://www.cdfifund.gov/cdfi> under How to Apply Step 5: Compliance and Reporting.

Type of Review: Revision of a currently approved collection.

Description: The CDFI Fund is seeking to revise its Uses of Award Report Form to validate investments made in Persistent Poverty Counties (PPCs) by BEA Program award Recipients in compliance with the PPC Congressional Mandate. The CDFI Fund's appropriation in the Consolidated Appropriations Act, 2019 (Pub. L. 116-6), enacted February 15, 2019, requires that at least 10 percent of BEA Program funds be used for Awards that support investments that serve populations living in PPCs. In order to meet this requirement, Applicants are required to indicate the minimum and maximum percentage of the Estimated BEA Program Award the Applicant will commit to deploying in PPCs.

A Persistent Poverty County is any county that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990 and 2000 decennial census, and the 2011-2015 5-year data series available from the American Community Survey from the Census Bureau. A Recipient that made commitments to serve Persistent Poverty Counties is required to identify the portion of the total award amount used for BEA Qualified Activities in Persistent Poverty Counties.

The purpose of the BEA Program is to provide an incentive to insured depository institutions to increase their activities in the form of loans, investments, services, and technical assistance within distressed communities and provide financial assistance to certified Community Development Financial Institutions (CDFIs) through grants, stock purchases, loans, deposits, and other forms of financial and technical assistance. Applicants submit applications and are evaluated in accordance with statutory and regulatory requirements (12 CFR 1806), and requirements that are set forth in the annual Notice of Funds Availability. The CDFI Fund requires BEA Program Award Recipients to use BEA Program Awards for BEA Program Qualified Activities, as defined in the BEA Program regulations. Recipients are
