

The Department seeks to identify families who no longer participate in a HUD rental assistance program due to adverse termination of tenancy and/or assistance and owe a debt to a Public Housing Agency (PHA). In accordance with 24 CFR 982.552 and 960.203, the PHA may deny admission to a housing program if the family is not suitable for tenancy for reasons such as, but not limited to: Unacceptable past performance in meeting financial obligations, history of criminal activity, eviction from Federally assisted housing in the last five years, family has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program, or if a family currently owes rent or other amounts to the PHA or to another PHA in connection with a Federally assisted

housing program under the U.S. Housing Act of 1937.

Within the scope of this collection of information, HUD seeks to collect from all PHAs, the following information:

1. If applicable, amount of debt owed by a former tenant to a PHA;
2. If applicable, indication of executed repayment agreement;
3. If applicable, indication of bankruptcy filing;
4. If applicable, the reason for any adverse termination of the family from a Federally assisted housing program.

This information is collected electronically from PHAs via HUD's EIV system. The information is used by HUD to create a national repository of families that owe a debt to a PHA and/or have been terminated from a federally assisted housing program. This national

repository is available within the EIV system for all PHAs to access during the time of application for rental assistance. PHAs are able to access this information to determine a family's suitability for rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If this information is not collected, the Department is at risk of paying limited Federal dollars on behalf of families who may not be eligible to receive rental housing assistance. Furthermore, if this information is not collected, the public will perceive that there are no consequences for a family's failure to comply with HUD program requirements.

AGENCY: Office of the Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA), HUD is notifying FHA-approved lenders that HUD's information collection entitled, FHA Lender Approval, Annual Renewal, Periodic Updates and Required Reports by FHA-Approved Leaders, has been approved by the Office of Management and Budget. HUD is notifying FHA-approved lenders that the final annual certification will be effective beginning with lenders that have a Fiscal Year End date of December 31, 2019.

FOR FURTHER INFORMATION CONTACT: Volky Garcia, Director, Lender Approval and Recertification Division, Office of Lender Activities and Program Compliance, Office of Single Family Housing, U.S. Department of Housing and Urban Development, 490 L'Enfant Plaza East SW, Room P3214, Washington, DC 20024-8000; email Volky.A.Garcia@hud.gov, or telephone 202-402-8229. This is not a toll-free number. Persons with hearing or speech

impairments may access this number through TTY by calling the toll-free Federal Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: On March 12, 2019 (84 FR 8888), HUD initiated the process to renew approval of information collection 2502-0005 by publishing a 60-day notice in the **Federal Register**. HUD's collection sought a revision to OMB's approval of 2502-0005 that expired on August 31, 2019. Specifically, the proposed revisions aligned the recertification statements with the National Housing Act (12 U.S.C. 1701, et seq) and clarified HUD requirements. Additionally, the revisions combined multiple statements to reflect statute, regulations and Handbook and sought to remove inapplicable language in statements for Government and Investing lenders or mortgagees.

On August 14, 2019 (84 FR 40436), HUD published its 30-day notice requesting OMB approval of this information collection. In addition to its 30-day notice, HUD provided the public the opportunity to review and comment on its FHA Annual Lender Certification through its FHA Office of Single Family Housing "Drafting Table." https://www.hud.gov/program_offices/housing/sfh/SFH_policy_drafts. HUD received positive feedback with minor suggestions regarding the proposed changes to FHA's Annual Certification. The commenters recommended that HUD: (1) Immediately implement the proposal (2) capitalize the word Sanction to align with the HUD's Single

Family Housing Handbook 4000.1 and (3) add language at the end of the statements clarifying the redisclosure of previous issues reported to HUD during a Mortgagees certification period. In response to the feedback and recommendations, HUD developed a streamlined FHA Annual Lender Certification which is available at https://www.hud.gov/program_offices/housing/sfh/lender/approvals_renewals/sfh_recertification. Today's notice announces that OMB has provided its Notice of Action approving HUD's collection.

FHA approves entities to participate as FHA-approved lenders. Specific information must be obtained and reviewed to determine if an entity meets the criteria to obtain the requested approval. HUD's submission covers information required by FHA from approved lenders to renew and maintain their approval, make periodic updates to their approval, submit required reports to FHA and submit requests to voluntarily terminate their FHA approval.

As approved collections, FHA-approved lenders are now required to use the revised FHA Lender Approval, Annual Renewal, Periodic Updates and Required Reports by FHA-Approved Lenders information collection. As a result, FHA-approved lenders that have a Fiscal Year End date of December 31, 2019 will be required to use HUD's revised collection.

Dated: October 21, 2019.

John L. Garvin,

General Deputy Assistant Secretary, Office of Housing.

SUPPLEMENTARY INFORMATION:

Background

Section 604 of the Manufactured Housing Improvement Act of 2000 (Pub. L. 106-569) amended the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5401-5426) (Act) to require the establishment of the MHCC, a federal advisory committee, to: (1) Provide periodic recommendations to the Secretary to adopt, revise, and interpret the manufactured housing construction and safety standards; and (2) to provide periodic recommendations to the Secretary to adopt, revise, and interpret the procedural and enforcement manufactured housing regulations. The Act authorizes the Secretary to appoint a total of twenty-two members to the MHCC. Twenty-one members have voting rights; the twenty-second member represents the Secretary and is a non-voting position. Service on the MHCC is voluntary. Travel and per diem for meetings is provided in

accordance with federal travel policy pursuant to 5 U.S.C. 5703.

HUD seeks highly qualified and motivated individuals who meet the requirements set forth in the Act to serve as voting members of the MHCC for up to two terms of three years. The MHCC expects to meet at least one to two times annually. Meetings may take place by conference call or in person. Members of the MHCC undertake additional work commitments on subcommittees and task forces regarding issues under deliberation.

Nominee Selection and Appointment

Members of the Consensus Committee are appointed to serve in one of three member categories. Nominees will be appointed to fill voting member vacancies in the following categories:

1. *Producers*—Seven producers or retailers of manufactured housing.
2. *Users*—Seven persons representing consumer interests, such as consumer organizations, recognized consumer leaders, and owners who are residents of manufactured homes.
3. *General Interest and Public Officials*—Seven general interest and public official members.

The Act provides that the Secretary shall ensure that all interests directly and materially affected by the work of the MHCC have the opportunity for fair and equitable participation without dominance by any single interest; and may reject the appointment of any one or more individuals in order to ensure that there is not dominance by any single interest. For purposes of this determination, dominance is defined as a position or exercise of dominant authority, leadership, or influence by reason of superior leverage, strength, or representation.

Additional requirements governing appointment and member service include:

- (1) Nominees appointed to the User category, and three of the individuals appointed to the General Interest and Public Official category shall not have a significant financial interest in any segment of the manufactured housing industry; or a significant relationship to any person engaged in the manufactured housing industry.
- (2) Each member serving in the User category shall be subject to a ban disallowing compensation from the manufactured housing industry during the period of, and during the one year following, his or her membership on the MHCC.

(3) Nominees selected for appointment to the MHCC shall be required to provide disclosures and certifications regarding conflict-of-
