

communities by providing a variety of social and economic benefits associated with an all-lands approach to conserving high-priority forest ecosystems. The plan components were developed using best available scientific information and the consideration of fiscal capability.

A draft ROD, revised Land Management Plan, and FEIS were released in August 2018, and were subject to a pre-decisional objection period. Twenty-two objections were received, and an in-person objection resolution meeting was held in February 2019, with the Reviewing Officer and objectors in attendance. The Reviewing Officer's response to the objection has been signed by the Deputy Regional Forester for the Pacific Southwest Region. The instructions from the Reviewing Officer were incorporated into the final ROD. The final ROD to approve the revised Land Management Plan for Inyo National Forest has now been signed by the Responsible Official, and is available at the website described above.

Responsible Official

The responsible official for the revision of the Land Management Plan for the Inyo National Forest is Tammy Randall-Parker, Forest Supervisor, Inyo National Forest, 351 Pacu Ln., Suite 200, Bishop, CA 93514.

Dated: October 18, 2019.

Allen Rowley,

Associate Deputy Chief, National Forest System.
