Consensus Committee—Advisory Role

The MHCC’s role is to advise the Secretary on the subject matter described above.

Federal Advisory Committee Act

The MHCC is subject to the requirements of the Federal Advisory Committee Act (5 U.S.C. Appendix), 41 CFR parts 101–6 and 102–3 (the FACE Final Rule), and to the Presidential Memorandum, dated June 18, 2010, directing all heads of executive departments and agencies not to make any new appointments or reappointments of federally registered lobbyists to advisory committees and other boards and commissions. The June 18, 2010, Presidential Memorandum authorized the Director of the Office of Management and Budget (OMB) to issue guidance to implement this policy. On August 13, 2014 (79 FR 47482), OMB issued guidance regarding the prohibition against appointing or re-appointing federally registered lobbyists to clarify that the ban applies to persons serving on advisory committees, boards, and commissions in their individual capacity and does not apply if they are specifically appointed to represent the interests of a nongovernmental entity, a recognizable group of persons or nongovernmental entities (an industry sector, labor unions, environmental groups, etc.), or state or local governments.

Term of Office

Consensus Committee members serve at the discretion of the Secretary or for a three-year term and for up to two terms.

Individuals seeking nomination to the MHCC should submit detailed information documenting their qualifications as addressed in the Act and this Notice. Individuals may nominate themselves. HUD recommends that the application form be accompanied by a resume.

Additional Information

The Department will make appointments from nominations submitted in response to this Notice. Also, individuals that applied last year do not need to re-apply; pursuant to this notice those applications are on file and may be considered for future appointments.

To be considered for appointment to a position of an MHCC member whose term expires in December of 2019, the nomination should be submitted by November 25, 2019.

Appointments will be made at the discretion of the Secretary.

A. Overview of Information Collection

Title of Information Collection: Multifamily Default Status Report.

OMB Approval Number: 2502–0041.

OMB Expiration Date: 10/31/19.

Type of Request: Revision of currently approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: The regulations at 24 CFR 207.256, 24 CFR 207.256a, and 24 CFR 207.258 require a mortgagee to notify HUD when a mortgage payment is in default (more than 30 days past due), when a mortgage has been reinstated, and to submit an election to assign a defaulted loan to HUD within a specified timeframe from the date of default. The regulation at 24 CFR 200, Subpart B, requires lenders to submit delinquency, default, election to assign, and other related loan information statuses electronically to HUD. Lenders previously used HUD Form 92426 for these submissions, however, with the implementation of the regulation requiring electronic notification, the Multifamily Delinquency and Default Reporting System (MDDR) was established to replace the paper form HUD–92426. HUD uses the information as an early warning mechanism to work with project owners and lenders to develop a plan that will reinstate a loan and avoid an insurance claim. It also provides HUD staff a mechanism for mortgagee compliance with HUD’s loan servicing procedures and assignments.

A. Overview of Information Collection

Title of Information Collection: Application for FHA Insured Mortgages

OMB Approval Number: 2502–0059.

Type of Request: Revision of currently approved collection.

Description of the need for the information and proposed use: Specific forms and related documents are needed to determine the eligibility of the borrower and proposed mortgage transaction for FHA’s insurance endorsement. The URLA and form HUD–92900–A (Addendum to the URLA) are used in every case by the lender to make application for FHA mortgage insurance. Together they describe the parties involved, the property, and the conditions and terms on which the mortgage insurance will be based. The form 92900–A was updated to: revise certifications to reflect regulations and other legal requirements; ensure accuracy of information provided to FHA; reduce uncertainty in the industry; maintain the ability to enforce FHA program requirements; and remove VA requirements and certifications from the 92900–A. Lenders seeking FHA’s insurance prepare certain forms to collect data.

Individuals (loan applicants) and Business or other for-profit (lenders).

Estimated Number of Respondents: 15,871.

Estimated Number of Responses: 5,798,629.
