RIN 0790–AI27

Federal Voting Assistance Program (FVAP)

AGENCY: Office of the Under Secretary of Defense for Personnel and Readiness, DoD.

ACTION: Final rule.

SUMMARY: This regulatory action amends the Department of Defense rule for the

Federal Voting Assistance Program (FVAP) to remove internal policy and assignments of responsibility and otherwise make administrative updates. The FVAP assists service members serving away from home and other overseas citizens in exercising their voting rights by serving as a critical resource for these individuals to successfully register to vote and to vote absentee.

DATES: This rule is effective on November 6, 2019.

FOR FURTHER INFORMATION CONTACT: Scott Wiedmann, 571–372–0760.

SUPPLEMENTARY INFORMATION: The Federal Voting Assistance Program (FVAP) works to ensure Service members, their eligible family members and overseas citizens are aware of their right to vote and have the tools and resources to successfully do so from anywhere in the world. Additional information regarding internal DoD processes related to this program is contained in DoD Instruction 1000.04, “Federal Voting Assistance Program,” which is publicly available at <http://www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodi/100004p.pdf?ver=2017-12-01-105434-817>.

This regulatory action amends Part 233 to remove DoD internal policies and procedures, which do not require rulemaking and are otherwise publicly available on www.fvap.gov and in DoD Instruction 1000.04. This rule also makes administrative updates to legal citations. Finally, this rule removes the responsibility for the Under Secretary of Defense for Personnel and Readiness (USD (P&R)) to establish a demonstration project to permit absent uniformed services voters to vote for Federal office through an electronic voting system.

Background

This part was last published on September 18, 2012, as an interim final rule (77 FR 57487). The rule provided direction and guidance to the Department of Defense and other Federal departments and agencies in establishing voting assistance programs for citizens covered by the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) as modified by the Military and Overseas Voter Empowerment Act. It established policy and assigned responsibilities for the development and implementation of installation voter assistance (IVA) offices. It also established policy for the development and implementation, jointly with each State, of procedures for persons to apply to register to vote

at recruitment offices of the Military Services.

No comments were received during the comment period that ended on November 19, 2012. This finalizes the interim final rule with the exception of removing internal policies and procedures and making administrative updates.

Legal Authority for This Program

FVAP administers the UOCAVA, 52 U.S.C. Chapter 203, on behalf of the Secretary of Defense, as the Presidential designee under 52 U.S.C. 20301(a). See Executive Order No. 12642, Designation of Secretary of Defense as Presidential Designee, 53 FR 21975 (June 8, 1988).

United States citizens under UOCAVA include:

- Members and eligible family members of the Uniformed Services (Army, Navy, Marine Corps, Air Force, Coast Guard, United States Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Corps).
- Members of the Merchant Marines.
- U.S. citizens residing outside of the United States.

52 U.S.C. 20506, requires State voter registration agencies to provide individuals the opportunity to register to vote or to change their voter registration data when they apply for or receive services or assistance.

The Secretary of Defense under 10 U.S.C. 1566 must prescribe regulations to require the Military Services (Army, Navy, Air Force, and Marine Corps) to implement voting assistance programs that comply with DoD directives.

The Military Services, under 10 U.S.C. 1566a, must designate Installation Voter Assistance Offices to make voting assistance available for military members, their eligible family members and eligible citizens. The Secretary of Defense may authorize the Secretaries of the military departments to designate offices on military installations as voter registration agencies under 52 U.S.C. 20506(a)(2) for all purposes of such act.

52 U.S.C. 20506(c) requires the Secretary of Defense jointly with each State, to develop and implement procedures for persons to apply to register to vote at recruitment offices of the Armed Forces.

52 U.S.C. 22301(c)(1) requires Government departments, agencies, and other entities, upon the Presidential designee's request to distribute balloting materials and cooperate in carrying out UOCAVA.

Public Law 113–291, div. A, title V, § 593, Dec. 19, 2014, 128 Stat. 3395 repeals Public Law 107–107, div. A, title

XVI, § 1604, Dec. 28, 2001, 115 Stat. 1277, as amended by Public Law 108–375, div. A, title V, § 567, Oct. 28, 2004, 118 Stat. 1919, which established a demonstration project under which absent uniformed services voters were permitted to vote in a general election for Federal office through an electronic voting system.

Summary of Major Provisions

This regulatory action:

- Removes DoD internal policies and procedures, which do not require rulemaking and are available on Government websites in order to increase transparency and clarity for the public.
- Removes the responsibility for the USD(P&R) to establish a demonstration project to permit absent uniformed services voters to vote for Federal office through an electronic voting system. In the National Defense Authorization Act for Fiscal Year 2015, Congress eliminated this requirement. DoD no longer explores program implementation in this area.
- Makes administrative changes to the United State Code citations. In 2014, the Law Revision Counsel, U.S. House of Representatives transferred provisions relating to voting and elections were in the United States Code from Titles 2 and 42 into a new Title 52, Voting and Elections. No statutory text was altered. The provisions were relocated from one place to another in the Code.

Executive Order 12866, “Regulatory Planning and Review”, Executive Order 13563, “Improving Regulation and Regulatory Review”, and Executive Order 13771, “Reducing Regulation and Controlling Regulatory Costs”

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distribute impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. It has been determined that this rule is not a significant regulatory action.

The amendments to this rule remove duplicative and unnecessary rule text, and makes other administrative changes. This rule has been deemed not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review,” therefore, the requirements of

E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs,” do not apply.

Congressional Review Act, 5 U.S.C. 804(2)

Under the Congressional Review Act, a major rule may not take effect until at least 60 days after submission to Congress of a report regarding the rule. A major rule is one that would have an annual effect on the economy of \$100 million or more, or have certain other impacts.

This rule is not a major rule under the Congressional Review Act.

Sec. 202, Public Law 104–4, “Unfunded Mandates Reform Act”

Section 202 of the Unfunded Mandates Reform Act of 1995 (UMRA) (2 U.S.C. 1532) requires agencies assess anticipated costs and benefits before issuing any rule whose mandates require spending in any 1 year of \$100 million in 1995 dollars, updated annually for inflation. This rule will not mandate any requirements for State, local, or tribal governments, nor will affect private sector costs.

Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. 601)

The DoD certifies that this rule is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial number of small entities. Therefore, the Regulatory Flexibility Act, as amended, does not require us to prepare a regulatory flexibility analysis.

Public Law 96–511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

It has been determined that 32 CFR part 233 does not impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995.

Executive Order 13132, “Federalism”

Executive Order 13132 establishes certain requirements that an agency must meet when it promulgates a final rule that imposes substantial direct requirement costs on State and local governments, preempts State law, or otherwise has Federalism implications. This rule will not have a substantial effect on State and local governments.

Obtaining Information From Financial Institutions

AGENCY: Department of the Army, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of the Army (DA) regulation, which describes the procedures for complying with the Right to Financial Privacy Act (RFPA). On May 29, 2019, the Department of Defense (DoD) revised its overarching regulation for compliance with the RFPA which supersedes this part. This part is now unnecessary and should be removed from the CFR.

DATES: This rule is effective on November 6, 2019.

FOR FURTHER INFORMATION CONTACT: Mr. Daniel Perkins, 703–614–3309.

SUPPLEMENTARY INFORMATION: The overarching DoD regulation at 32 CFR part 275, “Right to Financial Privacy Act,” was revised on May 29, 2019 (84 FR 24708). That rule updates policies, responsibilities, and prescribes procedures for obtaining access to financial records maintained by financial institutions. It implements 12 U.S.C. Chapter 35 by providing guidance on the requirements and conditions for obtaining financial records. The DA regulation at 32 CFR part 504, “Obtaining Information from

Financial Institutions,” last updated on October 19, 2005 (70 FR 60723), provides DA policies, procedures, and restrictions governing access to and disclosure of financial records maintained by financial institutions during the conduct of Army investigations or inquiries. The revision of 32 CFR part 275 supersedes the rule at 32 CFR part 504, necessitating its removal from the CFR.

The DA has determined that publication of this removal action for public comment is unnecessary because the policies removed are currently articulated in 32 CFR part 275, and internal DA policies will continue to be maintained in Army Regulation 190–6, “Obtaining Information from Financial Institutions” (last updated February 9, 2006, and available at https://armypubs.army.mil/ProductMaps/PubForm/Details.aspx?PUB_ID=50304).

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review.” Therefore, the provisions of Executive Order 13771, “Reducing Regulation and Controlling Regulatory Costs,” are not applicable to this removal action.

This removal supports a recommendation of the DoD Regulatory Reform Task Force.
