

EPA's federal advisory committees has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees provide independent advice to the EPA. Members of the public can submit comments on matters being considered by the EFAB for consideration by members as they develop their advice and recommendations to the EPA.

Oral Statements: In general, individuals or groups requesting an oral presentation at a public teleconference will be limited to three minutes. Persons interested in providing oral statements at the December 4, 2019 teleconference should contact Ellen Tarquinio in writing (preferably via email) at the contact information noted above by November 27, 2019 to be placed on the list of registered speakers. Persons interested in providing oral statements at the December 18, 2019 teleconference should contact Ellen Tarquinio in writing (preferably via email) at the contact information noted above by December 12, 2019 to be placed on the list of registered speakers.

Written Statements: Written statements for the December 4, 2019 teleconference should be received by WIRFC by November 27, 2019 so that the information can be made available to the EFAB workgroup for its consideration prior to the meeting. Written statements for the December 18, 2019 teleconference should be received by WIRFC by December 12, 2019 so that the information can be made available to the EFAB workgroup for its consideration prior to the meeting. Written statements should be sent via email to waterfinancecenter@epa.gov (preferred) or in hard copy with original signature to the EFAB mailing address above. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the EFAB website. Copyrighted material will not be posted without explicit permission of the copyright holder.

Accessibility: For information on access or services for individuals with disabilities, or to request accommodations for a disability, please contact Tara Johnson at (202) 564-6186 or johnson.tara@epa.gov at least 10 business days prior to the meeting to allow as much time as possible to process your request.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OW-2019-0415; FRL-10002-36-OW]

Water Quality Trading Under the National Pollutant Discharge Elimination System Program; Extension of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notification, request for comment; extension of comment period.

SUMMARY: The Environmental Protection Agency (EPA) issued a document in the **Federal Register** of September 19, 2019, requesting comments on policy approaches for addressing "baseline" issues in the watersheds with EPA-approved Total Maximum Daily Loads (TMDLs) where policy makers would like to pursue water quality trading as a regulatory option for National Pollutant Discharge Elimination System (NPDES) permit compliance. These policy approaches may also be of interest to stakeholders pursuing market-based water quality improvement programs outside of the NPDES permit program. This document extends the comment period for an additional 30 days, from November 18, 2019 to December 18, 2019 in response to a stakeholder request.

DATES: The comment period for the document published on September 19, 2019 (84 FR 49293), is extended. Comments, identified by docket identification (ID) number EPA-HQ-OW-2019-0415, must be received on or before December 18, 2019.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OW-2019-0415, at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from *Regulations.gov*. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the

official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.

FOR FURTHER INFORMATION CONTACT: Amelia Letnes, Office of Wastewater Management, Water Permits Division, Mail Code 4203M, Environmental Protection Agency, 1200 Pennsylvania Ave. NW, Washington, DC 20460; telephone number: (202) 564-5627; email address: letnes.amelia@epa.gov.

SUPPLEMENTARY INFORMATION: On September 19, 2019, EPA published in the **Federal Register** (84 FR 49293) proposed changes and clarifications to its Water Quality Trading Policy of 2003. These policy changes and clarifications are intended to increase flexibility and efficiency in state water quality trading programs, specifically in the area of establishing baselines for nonpoint sources subject to a Total Maximum Daily Load (TMDL).

The document, as initially published in the **Federal Register**, provided for written comments to be submitted to EPA on or before November 18, 2019 (a 60-day public comment period). Since publication, EPA has received a request for additional time to submit comments. EPA is extending the public comment period for 30 days until December 18, 2019.
