The notice announced a public meeting entitled “A New Era of Smarter Food Safety” that was held on October 21, 2019. In the notice of public meeting and request for comments, FDA requested comments on a modern approach the Agency is taking to strengthen its protection of the food supply to help shape an FDA blueprint for a new era of smarter food safety. National Vaccine Injury Compensation Program; List of Petitions Received

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged with responsibility for considering and acting upon the petitions.

FOR FURTHER INFORMATION CONTACT: Susan Kelly, Office of Food Policy and Response, Food and Drug Administration, 10903 New Hampshire Ave., Silver Spring, MD, 301–796–1259.

SUPPLEMENTARY INFORMATION: In the Federal Register of September 18, 2019, FDA published a notice of public meeting and request for comments with a 30-day comment period after the October 21, 2019, public meeting to request comments on the new era of smarter food safety. Comments on the new era of smarter food safety will shape an FDA blueprint for a new era of smarter food safety.

The Agency has received requests for an extension of the comment period for “A New Era of Smarter Food Safety; Public Meeting, Request for Comments.” Each request conveyed concern that the current 30-day comment period following the October 21, 2019, public meeting does not allow sufficient time to develop a meaningful or thoughtful response to the September 18, 2019, notice.

FDA has considered the requests and is extending the comment period for “A New Era of Smarter Food Safety; Public Meeting, Request for Comments” for 15 days, until December 5, 2019. The Agency believes that a 15-day extension allows adequate time for interested persons to submit comments without significantly delaying action on these important issues.

Dated: November 14, 2019.

Principal Associate Commissioner for Policy.
