

matching program is section 455(o) of the HEA (20 U.S.C. 1087e(o)), and the Department is authorized to disclose records to DoD by subsection (b)(3) of the Privacy Act (5 U.S.C. 552a(b)(3)).

DoD's legal authority for this matching program is provided by section 455(o) of the HEA (20 U.S.C. 1087e(o)), and DoD is authorized to disclose records to the Department by subsection (b)(3) of the Privacy Act (5 U.S.C. 552a(b)(3)).

Purpose(s): The matching program will assist the Department in its obligation to ensure that borrowers who have loans first disbursed on or after October 1, 2008, made under the William D. Ford Federal Direct Loan Program (20 U.S.C. 1087a *et seq.*) or a TEACH grant first disbursed on or after October 1, 2008, under the TEACH Grant Program (20 U.S.C. 1070g *et seq.*), which are collectively referred to herein as "title IV loans", with outstanding balances receive the no-interest accrual benefit on their eligible title IV loans during the period of time they received IDP or HFP pay. The Department will proactively apply the no-interest accrual benefit to the borrower's eligible title IV loans and notify the borrower that, as a result of the matching program, the borrower does not need to submit further documentation of the borrower's eligibility for the benefit. The Department's notice also will inform the borrower that the Department will accept DoD matched information in lieu of the borrower's submission of DoD payroll documentation, thereby making it easier for the borrower to receive the no-interest accrual benefit.

Categories of Individuals: The matching program involves borrowers who have title IV loans with outstanding balances who are listed on the Servicemembers Civil Relief Act (SCRA) website at <https://scra.dmdc.osd.mil/scra/#/home> as military servicemembers and who are identified by DoD as being deployed to areas that qualify for IDP or HFP.

Categories of Records: The records to be used in the matching program are described as follows: The Department will disclose to DoD the name (first, middle and last), and Social Security Number (SSN) of borrowers from the National Student Loan Data System (NSLDS) (18-11-06) who the Department identifies as being military servicemembers via the SCRA website. DoD will then disclose to the Department the name (first middle and last), DOB, and SSN of all service members who served in a qualifying IDP or HFP deployment along with their beginning and ending deployment dates

and the total number of days deployed for each qualified deployment.

The Department will match the data elements of name, DOB, and SSN received from DoD with the Department's records on borrowers of title IV loans with balances on such loans.

System(s) of Records: The Department will disclose records to DoD from its system of records identified as "National Student Loan Data System (NSLDS)" (18-11-06), which was last published in full in the **Federal Register** on September 9, 2019 (84 FR 47265) pursuant to routine use (1)(a). The Department has determined that the NSLDS system of records notice contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

DoD will disclose records back to the Department from its system of records identified as "Defense Manpower Data Center Data Base (DMDC 01), which was last published in full in the **Federal Register** on February 27, 2019 (84 FR 6383) and subsequently modified on April 16, 2019 (84 FR 15605), pursuant to routine use 15.b. DoD has determined that the DMDC 01 system of records notice contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

The Department will then match the information provided by DoD with records in the Department's NSLDS system of records.

SUPPLEMENTARY INFORMATION:

Summary of Change in Control

DECP is the owner and operator of the Dominion Cove Point LNG Terminal in Lusby, Maryland, and a wholly-owned, indirect subsidiary of Dominion Energy, Inc. The Notice filed by DECP describes a planned transaction in which Bowie Acquisitions LLC (the Investor) will acquire a minority 25% limited partnership interest in DECP. The Investor is an affiliate of Brookfield Asset Management Inc. DECP states that, as a minority partner, the Investor will have an economic interest in DECP, along with voting rights with respect to certain major decisions. DECP states that it will remain the holder of the export authorizations and there will be no change in the operations of the DECP Terminal as a result of the transaction. DECP states that the parties expect to close the transaction in December 2019. Additional details can be found in DECP's Notice, posted on the DOE/FE website at: https://cms.doe.gov/sites/prod/files/2019/10/f68/DominionEnergyCovePoint_CIC_filing_10232019_0.pdf.

DOE/FE Evaluation

DOE/FE will review DECP's Notice in accordance with its Procedures for Changes in Control Affecting Applications and Authorizations to Import or Export Natural Gas (CIC Procedures).¹ Consistent with the CIC Procedures, this notice addresses only the authorization granted to DECP to export liquefied natural gas (LNG) to non-free trade agreement (non-FTA) countries in DOE/FE Order No. 3331-A (FE Docket No. 11-128-LNG), and the non-FTA portion of the authorization issued in DOE/FE Order No. 4046 (FE Docket No. 16-205-LNG).² If no interested person protests the change in control and DOE takes no action on its own motion, the proposed change in control will be deemed granted 30 days after publication in the **Federal Register**. If one or more protests are submitted, DOE will review any motions to intervene, protests, and answers, and will issue a determination as to whether the proposed change in control has been demonstrated to render the underlying authorization inconsistent with the public interest.

¹ 79 FR 65541 (Nov. 5, 2014).

² DECP's Notice also applies to its existing FTA authorizations, but DOE/FE will respond to that portion of the Notice separately pursuant to the CIC Procedures, 79 FR 65542.

Public Comment Procedures
