Abstract: The Department of Education (the Department) requests an extension of this information collection tied to the William D. The 2018 negotiated rulemaking made final in the rule to be published in September 2019 makes changes made to the regulations in § 665.300. These final regulations are a result of negotiated rulemaking and will rescind the requirements of the current regulations in paragraphs (e), (f), (g), and (h). The final rule and this rescission will not take effect until July 1, 2020. The Department is asking to extend the current burden assessment until the effective date of the change and at that time a discontinuation request will be filed.
