Table of Contents

- I. Introduction
- II. Summary of Changes
- III. Notice of Commission Action
- IV. Ordering Paragraphs

I. Introduction

On November 15, 2019, the Postal Service filed a notice of changes to product descriptions pursuant to Commission rule 39 CFR 3020.90.¹ The Postal Service seeks to make changes to the country price list for international mail that appears in Part D of the Mail Classification Schedule (MCS). Notice at 1. The changes are intended to take effect on January 26, 2020. *Id.*

II. Summary of Changes

The Postal Service states that the purpose of the minor modifications to the country price list is “to conform to official sources and improve the accuracy of the product descriptions in the MCS.” *Id.* The Postal Service maintains that the proposed changes satisfy the requirements of 39 CFR 3020.90 because the changes should result in a more accurate representation of the Postal Service's offerings by allowing mailers to more precisely locate pertinent information, the Notice is filed no later than 15 days prior to the intended effective date, and the changes merely revise the MCS without otherwise changing product offerings or the prices or price groups. *Id.* at 1–2. The Postal Service also asserts that the proposed changes do not significantly change the user experience for any product and that there is no evidence that the changes will significantly impact competitors. *Id.* at 2. The proposed change adds an individual country listing for the Republic of South Sudan to reflect its independence from Sudan and revises the MCS to reflect products that are offered to the Republic of South Sudan, without changing the products or prices or price groups applicable to such products. *Id.*
