**Proposed Information Collection Activity; Form ACF-196, TANF Financial Reporting Form for States**

**AGENCY:** Office of Family Assistance; Administration for Children and Families; HHS.  
**ACTION:** Request for public comment.

**SUMMARY:** The Administration for Children and Families (ACF) is requesting to renew approval of the ACF-196 Temporary Assistance for Needy Families (TANF) Financial Reporting Form. The ACF-196 is the form used by states to estimate funding

needs and request grant awards under the TANF program. In addition, the form is used to report data in substantiation of state claims and to certify the availability of the legislatively mandated state match. ACF will use the financial data provided by states to estimate quarterly funding needs, calculate award amounts, and assess compliance with statutory and regulatory requirements relating to administrative costs and state matching requirements. No changes are proposed to the form.

**DATES:** *Comments due within 60 days of publication.* In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above.

**ADDRESSES:** Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing *infocollection@acf.hhs.gov*. Alternatively, copies can also be obtained by writing to the

Administration for Children and Families, Office of Planning, Research, and Evaluation (OPRE), 330 C Street SW, Washington, DC 20201, Attn: ACF Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

**SUPPLEMENTARY INFORMATION:**

*Description:* This information collection is authorized under Section 411(a)(3) of the Social Security Act. This request is for renewal of approval to the ACF-196 form for periodic financial reporting under the TANF program. States participating in the TANF program are required by statute to report financial data on a quarterly basis. This form meets the legal standard and provides essential data on the use of federal funds. Failure to collect the data would seriously compromise ACF's ability to monitor program expenditures, estimate funding needs, and to prepare budget submissions required by Congress. Financial reporting under the TANF program is governed by 45 CFR part 265.

*Respondents:* TANF Agencies.

[Docket No. FDA-2019-D-3592]

**Certificates of Confidentiality; Draft Guidance for Sponsors, Sponsor-Investigators, Researchers, Industry, and Food and Drug Administration Staff; Availability**

**AGENCY:** Food and Drug Administration, HHS.  
**ACTION:** Notice of availability.

**SUMMARY:** The Food and Drug Administration (FDA or Agency) is announcing the availability of a draft guidance entitled "Certificates of Confidentiality; Guidance for Sponsors, Sponsor-Investigators, Researchers, Industry, and Food and Drug Administration Staff." This draft guidance is intended to explain FDA implementation of the revised statutory provisions applicable to the request for, and issuance of, a Certificate of Confidentiality (CoC). The 21st Century Cures Act (Cures Act) amended the

statutory provisions relating to the issuance of CoCs. A CoC is intended to help protect the privacy of human subject research participants from whom sensitive and identifiable information is being collected or used in furtherance of the research. Historically, a CoC generally protected a researcher from being compelled in a legal proceeding to disclose identifiable sensitive information about the research participant, created or compiled for the research. As amended, a CoC prohibits a researcher from disclosing such information unless a specified exception applies.

**DATES:** Submit either electronic or written comments on the draft guidance by January 9, 2020 to ensure that the Agency considers your comment on this draft guidance before it begins work on the final version of the guidance. Submit electronic or written comments on the proposed information collection burden in the draft guidance by January 24, 2020.

**ADDRESSES:** You may submit either electronic or written comments on any guidance at any time as follows:
