

covenants, conditions, restrictions and reservations:

a. There is hereby reserved to the Patentee, its successors or its assignees, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the above described real property, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the said airspace, and for use of said airspace for landing on, taking off from, or operating on Colorado City Municipal Airport.

b. (Lessee, Licensee, Permittee, etc.), by (accepting this conveyance) (entering into this agreement), expressly agrees, for itself, its successors, and assigns, that it will not erect nor permit the erection of any structure or building nor permit objects of natural growth or other obstruction on the above described real property above a height as determined by the application of the requirements of 14 CFR part 77. In the event the aforesaid covenant is breached, the Patentee, its successors, or its assignees reserves the right to enter on the above described real property and to remove the offending structure or object and to cut the offending natural growth, all of which shall be at the expense of the (Lessee, Licensee, Permittee, etc.).

c. (Lessee, Licensee, Permittee, etc.), by (accepting this conveyance) (entering into this agreement), expressly agrees, for itself, its successors, or its assignees, that it will not make use of the above described real property in any manner which might interfere with the landing or taking off of aircraft at the Colorado City Municipal Airport, or otherwise constitute an airport hazard. In the event the aforesaid covenant is breached, the Patentee, its successors, or its assignees, reserves the right to enter on the said real property and cause the abatement of such interference at the expense of the (Lessee, Licensee, Permittee, etc.).

d. That the release granted hereby is for the purposes stated herein, only, and nothing contained herein shall be constructed as permitting a sale, or other alienation, by the Patentee, its successors, or its assignees with or without monetary consideration, except by prior approval of the Administrator.

12. A conveyance may be made only on the condition that the property interest conveyed reverts to the United States, at the option of the Secretary [of Transportation], to the extent it is not developed for an airport purpose or used consistently with the terms of the conveyance.

13. That a determination by the Administrator that one of the foregoing covenants has been breached is conclusive of the facts; and that, if the right of entry and possession of title stipulated in the foregoing covenants is exercised, the Patentee, its successors, or its assignees will, upon demand of the Administrator, or her/his successor in function, take any action (including prosecution of suit or executing of instruments) that may be necessary to evidence transfer to the United States of title to the property interest conveyed or, in the Administrator's discretion, to that part of that interest to which the breach relates.

This Notice segregates the above-described public lands from operation of the public land laws, including the mining laws. The segregative effect will end upon issuance of a document of conveyance or one year from the date of this publication, whichever occurs first.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application or any other factor not directly related to the suitability of the lands for an airport conveyance. The BLM Arizona State Director will review any adverse comments. In the absence of any adverse comments, the decision will become final. The lands will not be offered for conveyance until a determination of significance and Decision Record have been signed for the completed Environmental Assessment DOI-BLM-AZ-A010-2018-0016-EA found at: <https://go.usa.gov/xpfmu>.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made available to the public at any time. While you can ask in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR 2640 and FAA 14 CFR part 153.

Lorraine M. Christian,
Field Manager.

Filing of Plats of Survey; NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to inform the public and interested State and local government officials of the filing of Plats of Survey in Nevada.

DATES: Filing is applicable at 10:00 a.m. on the date indicated below.

FOR FURTHER INFORMATION CONTACT: Michael O. Harmening, Chief Cadastral Surveyor for Nevada, Bureau of Land Management, Nevada State Office, 1340 Financial Blvd., Reno, NV 89502-7147, phone: 775-861-6490. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION:

1. The Plat of Survey of the following described lands was officially filed at the Bureau of Land Management (BLM) Nevada State Office, Reno, Nevada on August 27, 2019:

The plat, in one sheet, representing the dependent resurvey of a portion of the subdivisional lines and a portion of the subdivision-of-section line of section 34, the subdivision of sections 27 and 28, and a metes-and-bounds survey of a portion of the southwesterly line of the Section 368 West-Wide Energy Corridor 224-225, in section 27 and through section 34, Township 20 South, Range 54 East, Mount Diablo Meridian, Nevada, under Group No. 979, was accepted August 23, 2019.

This survey was executed to meet certain administrative needs of the Bureau of Land Management.

The survey listed above, is now the basic record for describing the lands for all authorized purposes. This record has been placed in the open files in the BLM Nevada State Office and is available to the public as a matter of information.

Dated: November 14, 2019.

Michael O. Harmening,
Chief Cadastral Surveyor for Nevada.
