SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 30141(a)(1)(A), a motor vehicle that was not originally manufactured to conform to all applicable FMVSS shall be refused admission into the United States unless NHTSA has decided that the motor vehicle is substantially similar to a motor vehicle originally manufactured for importation into and sale in the United States, certified under 49 U.S.C. 30115, and of the same MY as the model of the motor vehicle to be compared, and is capable of being readily altered to conform to all applicable FMVSS.

Petitions for eligibility decisions may be submitted by either manufacturers or importers who have registered with NHTSA pursuant to 49 CFR part 592. As specified in 49 CFR 593.7, NHTSA publishes notice of each petition that it receives in the **Federal Register**, and affords interested persons an opportunity to comment on the petition. At the close of the comment period, NHTSA decides, on the basis of the petition and any comments that it has received, whether the vehicle is eligible for importation. The agency then publishes this decision in the **Federal Register**.

America's Import & Export Authority Inc., (Registered Importer R-17-423), of Fort Myers, Florida has petitioned NHTSA to decide whether nonconforming MY 2003 Elddis Omega Compass Liberte Caravan single axle camper trailers are eligible for importation into the United States. The vehicles which America's Import & Export Authority Inc. believes are capable of being readily altered to conform to all applicable FMVSS.

America's Import & Export Authority Inc. submitted information with its petition intended to demonstrate that non-U.S. certified MY 2003 Elddis Omega Compass Liberte Caravan single axle camper trailers, as originally manufactured, conform to many applicable FMVSS, or are capable of being readily altered to conform to those standards. Specifically, the petitioner claims that the non-U.S. certified MY 2003 Elddis Omega Compass Liberte Caravan single axle camper trailers, as originally manufactured, are only subject to: FMVSS Nos. 108, *Lamps, Reflective Devices and Associated Equipment*, 109, *New pneumatic and*

certain specialty tires, 110, *Tire Selection and Rims and Motor Home/ Recreation Vehicle Trailer Load Carrying Capacity Information for Motor Vehicles with a GVWR of 4,536 kilograms (10,000 pounds) or Less*. The petitioner also contends that the subject non-U.S. certified vehicles are capable of being readily altered to meet the following FMVSS, in the manner indicated:

FMVSS No. 108, *Lamps, Reflective Devices and Associated Equipment*: Installation of rear reflectors, side markers, side reflectors, clearance lamps, identification lamps and upper lights, front side marker lamps and reflectors, intermediate side marker lamps and reflectors, and license plate lamp.

FMVSS No. 109, *New pneumatic and certain specialty tires*: Installation of tire placard with certification label.

FMVSS No. 110, *Tire Selection and Rims and Motor Home/Recreation Vehicle Trailer Load Carrying Capacity Information for Motor Vehicles with a GVWR of 4,536 kilograms (10,000 pounds) or Less*: Installation of DOT compliant wheels.

Authority: 49 U.S.C. 30141(a)(1)(A), (a)(1)(B), and (b)(1); 49 CFR 593.7; delegation of authority at 49 CFR 1.95 and 501.8.
