Section 719 of the Act requires the Commission to establish rules that define as eligible for up to \$10,000,000 of support annually from the Interstate Telecommunications Relay Service Fund (TRS Fund) those programs that are approved by the Commission for the distribution of specialized customer premises equipment designed to make telecommunications service, internet access service, and advanced communications, including interexchange services and advanced telecommunications and information

Incumbent programs must apply to renew their certifications, if desired, and potential new entrants must also apply for certification by July 1, 2021.

(b) A program wishing to relinquish its certification before its certification expires must provide written notice of its intent to do so.

(c) Certified programs must disclose to the Commission actual or potential conflicts of interest.

(d) Certified programs must notify the Commission of any substantive change that bears directly on its ability to meet the qualifications necessary for certification.

(e) A certified entity may present written arguments and any relevant documentation as to why suspension or revocation of certification is not warranted.

(f) When a new entity is certified as a state's program, the previously certified entity must take certain actions to complete the transition to the new entity.

(g) Certified programs must require an applicant to provide verification that the applicant is deaf-blind.

(h) Certified programs must require an applicant to provide verification that the applicant meets the income eligibility requirement.

(i) Certified programs must re-verify the income and disability eligibility of an equipment recipient under certain circumstances.

(j) Certified programs must permit the transfer of an equipment recipient's

account when the recipient relocates to another state.

(k) Certified programs must include an attestation on consumer application forms.

(l) Certified programs must conduct annual audits and submit to Commission-directed audits.

(m) Certified programs must document compliance with NDBEDP requirements, provide such documentation to the Commission upon request, and retain such records for at least five years.

(n) Certified programs must submit reimbursement claims as instructed by the TRS Fund Administrator, and supplemental information and documentation as requested. In addition, the entity selected to conduct national outreach will submit claims for reimbursement on a quarterly basis.

(o) Certified programs must submit reports every six months as instructed by the NDBEDP Administrator. In addition, the entity selected to conduct national outreach will submit an annual report.

(p) Informal and formal complaints may be filed against NEDBEDP certified programs, and the Commission may conduct such inquiries and hold such proceedings as it may deem necessary.
