**II. Description of the Proposed Rule Change**

OCC now proposes changes to adopt, as part of its rules, a new policy concerning capital management at OCC ("Capital Management Policy"). Specifically, the proposed Capital Management Policy would (i) describe how OCC would determine the amount of liquid net assets funded by equity ("LNAFBE") necessary to cover OCC's potential general business losses; (ii) require OCC to hold a minimum amount of shareholders equity ("Equity") sufficient to support the amount of LNAFBE determined to be necessary;<sup>9</sup> and (iii) establish a plan for replenishing OCC's capital in the event that Equity were to fall below certain thresholds. OCC also proposes to revise its existing rules to support the terms of the proposed Capital Management policy.

**III. Proceedings To Determine Whether To Approve or Disapprove File No. SR-OCC-2019-007 and Grounds for Disapproval Under Consideration**

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Exchange Act to determine whether the Proposed Rule Change should be approved or disapproved.<sup>10</sup> Institution of proceedings is appropriate at this time in view of the legal and policy issues raised by the Proposed Rule Change. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved.

Pursuant to Section 19(b)(2)(B) of the Exchange Act,<sup>11</sup> the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis and input concerning the Proposed Rule Change's consistency with the Exchange Act and the rules thereunder, including the following:

other things, that the rules of OCC be designed to promote the prompt and accurate clearance and settlement of securities transactions and to assure the safeguarding of securities and funds which are in the custody or control of OCC or for which it is responsible.<sup>13</sup>

- Rule 17Ad-22(e)(15) of the Exchange Act, which requires that a covered clearing agency establish, implement, maintain, and enforce written policies and procedures reasonably designed to identify, monitor, and manage the covered clearing agency's general business risk and hold sufficient liquid net assets funded by equity to cover potential general business losses so that the covered clearing agency can continue operations and services as a going concern if those losses materialize, including by taking the actions described in Rules 17Ad-22(e)(15)(i)-(iii) under the Exchange Act.<sup>14</sup>
