### Certain Steel Threaded Rod From the People’s Republic of China: Final Results of the Expedited Sunset Review of the Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) finds that revocation of the antidumping duty order on certain steel threaded rod (steel threaded rod) from the People’s Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Sunset Reviews” section of this notice.

**DATES:** Applicable November 29, 2019.

**FOR FURTHER INFORMATION CONTACT:** Benito Ballesteros, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–7425.

### SUPPLEMENTARY INFORMATION:

#### Background

On July 1, 2019, Commerce published the *Notice of Initiation* of the five-year review of the antidumping duty order on steel threaded rod from China, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>1</sup> On July 9, 2019, Commerce received a Notice of Intent to Participate in this review from Vulcan Threaded Products, Inc. (the petitioner), within the deadline specified in 19 CFR 351.218(d)(1)(i). The petitioner claimed interested party status under section 771(9)(C) of the Act, as a manufacturer of a domestic like product in the United States. On July 31, 2019, the petitioner provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no substantive responses from any other interested parties, nor was a hearing requested. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the order.

#### Scope of the Order

The merchandise covered by the order is steel threaded rod. For a full

<sup>1</sup> See *Initiation of Five-Year (Sunset) Reviews*, 84 FR 31304 (July 1, 2019) (*Notice of Initiation*).

description of the scope, *see* the Issues and Decision Memorandum.<sup>2</sup>

### Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of the margins likely to prevail if the orders were revoked, are addressed in the accompanying Issues and Decision Memorandum. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

### Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the antidumping duty order on steel threaded rod from China would likely lead to continuation or recurrence of dumping and that the magnitude of the margins is up to 206 percent.

### Notification Regarding Administrative Protective Order

This notice serves as the only reminder to interested parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
