proposed rule change, as modified by Partial Amendment No. 1 (hereinafter, "proposed rule change").

II. Description of the Proposed Rule Change

As described more fully in the Notice, the proposed rule change would define three exclusive categories of losses not related to a Clearing Participant default: (i) Investment Losses, (ii) Custodial Losses, and (iii) Non-Default Losses. With respect to the treatment of such losses, the proposed rule change would: (i) Define the resources of ICC that ICC would apply to cover each such category of losses; (ii) assign responsibility to Clearing Participants, in certain circumstances, to make contributions with respect to Investment Losses and Custodial Losses; and (iii) address the treatment of recoveries by ICC with respect to such losses. The proposed rule change would also make additional changes related to such losses, including addressing the effect the proposed rule change would have on other ICC rules.

III. Proceedings To Determine Whether To Approve or Disapprove the Proposed Rule Change and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act to determine whether the proposed rule change should be approved or disapproved.⁹ Institution of proceedings is appropriate at this time in view of the legal and policy issues raised by the proposed rule change. Pursuant to Section 19(b)(2)(B) of the Act,¹⁰ the Commission is providing notice of the potential grounds for approval or disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis and input concerning the proposed rule change's consistency with the Act and the rules thereunder, including the following:

Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.¹⁷

Interested persons are invited to submit written data, views, and arguments regarding Partial Amendment No. 1 and whether the proposed rule change should be approved or disapproved on or before December 17, 2019.
