

will be interviewed, with the average interview lasting an estimated 35 minutes.

6 An estimate of the total public burden (in hours) associated with the collection: This collection was previously approved for implementation in both adult prisons and jails. The current request will only be implemented in adult prisons, thereby reducing the total number of facility staff and respondents required to participate. The total estimated NIS-4 public burden, inclusive of facility staff and respondent burden estimates, is 45,367 hours. This comprises 450 hours of facility staff burden and 44,917 hours of respondent interviewing burden.
