

Total Annual Burden: 50 hours.

Total Annual Cost: No Cost.

Privacy Act Impact Assessment: No Impact(s).

Nature and Extent of Confidentiality: The information collection includes information identifying bank accounts and providing account and routing numbers to access those accounts. FCC considers that information to be records not routinely available for public inspection under 47 CFR 0.457, and exempt from disclosure under FOIA exemption 4 (5 U.S.C. 552(b)(4)).

Needs and Uses: The Commission is requesting Office of Management and Budget (OMB) approval for a new information collection as described below.

The Commission is conducting an auction for 39 GHz spectrum pursuant to 47 U.S.C. 309(j)(8)(G) in which it is offering incumbent licensees a share of auction proceeds as an incentive to relinquish voluntarily previously granted spectrum usage rights in order to permit the assignment of new initial licenses subject to flexible use rules.

The information in the form is needed to make payments of the respective shares of auction proceeds. The information required for a licensee with respect to payments in incentive auctions is covered under 47 CFR 1.2115(b).

The information collection for which we are requesting approval is necessary for incumbent licensees to instruct the Commission on how to pay the approved amounts due to them, and for the payees to make certifications that reduce the risk of waste, fraud, abuse and improper payments.
