Title: Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies and Diversity Self-Assessment Template for OCC-Regulated Entities.

OMB Control No.: 1557–0334.

Description: This information collection covers standards, pursuant to which certain entities regulated by the OCC voluntarily self-assess their diversity policies and practices, and a template to assist with the self-assessment. The template (1) asks for general information about a respondent; (2) includes questions about certain standards and solicits comments about the successes and challenges of a respondent’s diversity program; (3) asks for a description of current practices for the self-assessment standards; (4) seeks additional diversity data; and (5) provides an opportunity for a respondent to provide other information regarding or comment on the self-assessment of its diversity policies and practices.

The OCC may use information submitted to monitor progress and trends in the financial services industry regarding diversity and inclusion in employment and contracting activities and to identify and highlight diversity and inclusion policies and practices that have been successful. The OCC will continue to reach out to the entities it regulates and other interested parties to discuss diversity and inclusion in the financial services industry and share leading practices. The OCC may also publish information disclosed by an entity, such as leading practices, in any form that does not identify the specific entity or individual or disclose confidential business information. Finally, if an OCC-regulated entity submits confidential commercial information that is both customarily and actually treated as private by the entity, the entity can designate the information as such, in which case the OCC will treat the self-assessment information as private to the extent permitted by law, including the Freedom of Information Act, 5 U.S.C. 552, *et seq.*

Type of Review: Regular.

Affected Public: Businesses or other for-profit.
