DEPARTMENT OF EDUCATION

Applications for New Awards;
Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

SUMMARY: The Department of Education (Department) is issuing a notice inviting applications for fiscal year (FY) 2020 for the Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) Fellowship Program, Catalog of Federal Domestic Assistance (CFDA) number 84.022A. This notice relates to the approved information collection under OMB control number 1840–0005.

DATES:

Eligible Applicants:

For Fiscal Year (FY) 2020, the Fulbright-Hays DDRA Fellowship Program will award $35,000 to 100 new doctoral dissertation research abroad (DDRA) awards, for a total of $3,500,000. To apply, institutions must submit a single application package that includes, but is not limited to, a letter of intent, the program application form, and supporting documentation.

Program Authority:

Applicable Regulations:

34 CFR parts 75, 77, 81, 82, 84, 86, 97, 98, and 99.

FOR FURTHER INFORMATION CONTACT:

Robert L. King, Assistant Secretary for Postsecondary Education, Room 258–24, Washington, DC 20202. Telephone: 202-426-7021. Email: ddra@ed.gov. If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Fulbright-Hays DDRA Fellowship Program provides opportunities to doctoral candidates to engage in dissertation research abroad in modern foreign languages and area studies. The program is designed to contribute to the development and improvement of the study of modern foreign languages and area studies in the United States.

Priorities: This notice contains one absolute priority and two competitive preference priorities. In accordance with 34 CFR 75.105(b)(2)(ii), the absolute and competitive preference priorities are from the regulations for this program (34 CFR 662.21(d)).

Absolute Priority: For FY 2020, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Specific Geographic Regions of the World

A research project that focuses on one or more of the following geographic areas: Africa, East Asia, Southeast Asia and the Pacific Islands, South Asia, the Near East, Central and Eastern Europe and Eurasia, and the Western Hemisphere (excluding the United States and its territories).

Competitive Preference Priorities: For FY 2020, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award an additional two points to an application that meets Competitive Preference Priority 1 and three points to an application that meets Competitive Preference Priority 2 (up to 5 additional points possible).

These priorities are:

Competitive Preference Priority 1—Focus on Less Commonly Taught Languages (2 points)

A research project that focuses on any modern foreign language except French, German, or Spanish.

Competitive Preference Priority 2—Thematic Focus on Academic Fields (3 points)

A research project conducted in the field of science, technology, engineering, mathematics, computer science, education (comparative or international), international development, political science, public health, or economics.

Note: Applicants that address Competitive Preference Priority 2 must intend to engage in dissertation research abroad in modern foreign languages and area studies with a thematic focus on any one of the academic fields referenced above.

Estimated Number of Awards: 100

Estimated Average Size of Awards: $35,000

Estimated Range of Awards: $15,000–60,000

II. Award Information

Type of Award: Discretionary grants redistributed as fellowships to individual beneficiaries.

FOR FURTHER INFORMATION CONTACT:

from the Fulbright U.S. Student Program (FUSP) and a grant from the Fulbright-Hays DDRA Fellowship Program concurrently. Once a candidate has accepted a fellowship award from the FUSP and the FUSP has expended funds to the student, the student is then ineligible for a grant under the Fulbright-Hays DDRA Fellowship Program. A student applying for a grant under the Fulbright-Hays DDRA Fellowship Program must indicate on the application if the student has currently applied for a FUSP grant. If, at any point, the candidate accepts a FUSP award prior to being notified of the candidate’s status with the Fulbright-Hays DDRA Fellowship Program, the candidate should immediately notify the program contact person listed under FOR FURTHER INFORMATION CONTACT. If, after consultation with FUSP, we determine that FUSP has expended funds on the student (e.g., the candidate has attended the pre-departure orientation or was issued grant funds), the candidate will be considered ineligible for an award under the Fulbright-Hays DDRA Fellowship Program.

IV. Application and Submission Information

1. Address to Request Application Package: Both IHEs and student applicants can obtain an application package via the internet or from the Education Publications Center (ED PUBS). To obtain a copy via the internet, use the following address: www.G5.gov. To obtain a copy from ED PUBS, write, fax, or call the following: ED Pubs, U.S. Department of Education, P.O. Box 22207, Alexandria, VA 22304. Telephone, toll free: 1–877–433–7827. FAX. (703) 605–6794. If you use a TDD or a TTY, call, toll free: 1–877–576–7734.

You can contact ED Pub at its website, also: www.EDPubs.gov or at its email address: edpubs@inet.ed.gov.

If you request an application package from ED Pubs, be sure to identify this program as follows: CFDA number 84.022A.

2. Recommended Page Limits: The application narrative is where the student applicant addresses the selection criteria that reviewers use to evaluate the application. We recommend that the student applicant (1) limit the application narrative to no more than 10 pages and the bibliography to no more than two pages; and (2) use the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative and bibliography. However, student applicants may single space all text in charts, tables, figures, graphs, titles, headings, footnotes, endnotes, quotations, and captions.
- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to the Application for Federal Assistance face sheet (SF 424), the supplemental information form for the SF 424 required by the Department, or the assurances and certification. However, student applicants must include their complete responses to the selection criteria in the application narrative. The recommended page limits only apply to the application narrative and bibliography.

3. Submission Dates and Times: Submit applications for grants under the program electronically using G5.gov. For information (including dates and times) about how to submit your application electronically, please refer to 7. Other Submission Requirements.

We do not consider an application that does not comply with the deadline requirements. Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under FOR FURTHER INFORMATION CONTACT. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

4. Intergovernmental Review: This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:

To do business with the Department, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN).

b. Register both your DUNS number and TIN with the System for Award Management (SAM), the Government’s primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following website: http://fedgov.dnb.com/webform. A DUNS number can be created within one to two business days. If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, it may be 24 to 48 hours before you can submit an application through G5.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: www2.ed.gov/fund/grants/apply/sam-facts.html.

7. Other Submission Requirements: Applications for grants under this program must be submitted electronically unless an IHE qualifies for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Submit applications for grants under the Fulbright-Hays DDRA Fellowship Program, CFDA number 84.022A, electronically using the G5 system, accessible through the Department’s G5
site at: www.G5.gov. While completing the electronic application, both the IHE and the student applicant will be entering data online that will be saved into a database. Neither the IHE nor the student applicant may email an electronic copy of a grant application to us.

Please note the following:

- The process for submitting applications electronically under the Fulbright-Hays DDRA Fellowship Program has several steps. The following is a brief summary of the process; however, all applicants should review the detailed description of the application process in the application package. In summary, the major steps are:
  1. IHEs must email the name of the institution and the full name and email address of the project director to dдра@ed.gov. We suggest that applicant IHEs submit this information no later than two weeks prior to the application deadline date to ensure that they obtain access to G5 well before that date; and
  2. Students must complete their individual applications and submit them to their IHE’s project director using G5;
  3. Persons providing references for individual students must complete and submit reference forms for the students and submit them to the IHE’s project director using G5; and
  4. The IHE’s project director must officially submit the IHE’s application, including all eligible individual student applications, reference forms, and other required forms, using G5.

- The IHE must complete the electronic submission of the grant application by 4:30:00 p.m., Eastern Time, on the application deadline date. G5 will not accept an application for this competition after 4:30:00 p.m., Eastern Time, on the application deadline date. Therefore, we strongly recommend that both the IHE and the student applicant not wait until the application deadline date to begin the application process.

- The hours of operation of the G5 website are 6:00 a.m. Monday until 9:00 p.m., Wednesday; and 6:00 a.m. Thursday until 3:00 p.m., Sunday, Eastern Time. Please note that, because of maintenance, the system is unavailable between 3:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 9:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Eastern Time. Any modifications to these hours are posted on the G5 website.

- Student applicants will not receive additional point value because the student submits his or her application in electronic format, nor will we penalize the IHE or student applicant if the applicant qualifies for an exception to the electronic submission requirement, as described elsewhere in this section, and submits an application in paper format.

  - IHEs must submit all documents electronically, including all information typically provided on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
  - Both IHEs and student applicants must upload any narrative sections and all other attachments to their application as files in a read-only flattened Portable Document Format (PDF), meaning any fillable documents must be saved and submitted as non-fillable PDF files. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will be unable to review that material. Please note that this will likely result in your application not being considered for funding. The Department will not convert material from other formats to PDF.
  - Submit student transcripts electronically through the G5 system.
  - Prior to submitting your electronic application, you may wish to print a copy of it for your records.
  - After the individual student applicant electronically submits his or her application to the student’s IHE, the student will receive an automatic acknowledgment. After a person submits a reference electronically, he or she will receive an online confirmation. After the applicant IHE submits its application, including all eligible individual student applications, to the Department, the applicant IHE will receive an automatic acknowledgment that will include a unique PR/Award number for the IHE’s application.
  - Within three working days after submitting its electronic application the applicant IHE must—
    1. Print SF 424 from G5;
    2. Have its Authorizing Representative sign this form;
    3. Place the PR/Award number in the upper right-hand corner of the hard-copy signature page of the SF 424; and
    4. Fax the signed SF 424 to the Application Control Center at (202) 245–6272.

  - We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of System Unavailability: If an IHE is prevented from electronically submitting its application on the application deadline date because the G5 system is unavailable, we will grant the IHE an extension until 4:30:00 p.m., Eastern Time, the following business day to enable the IHE to transmit its application electronically, by mail, or by hand delivery. We will grant this extension if—

  1. The IHE is a registered user of the G5 system and the IHE has initiated an electronic application for this competition; and
  2. (a) G5 is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Eastern Time, on the application deadline date; or
  (b) G5 is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Eastern Time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting the IHE an extension. To request this extension or to confirm our acknowledgment of any system unavailability, an IHE may contact either (1) the person listed under FOR FURTHER INFORMATION CONTACT or (2) the e-Grants help desk at 1–888–336–8930.

If G5 is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an email will be sent to all registered users who have initiated a G5 application. Extensions referred to in this section apply only to the unavailability of the G5 system.

b. Submission of Paper Applications.

We discourage paper applications, but if electronic submission is not possible (e.g., you do not have access to the internet), you must provide a written statement that you intend to submit a paper application. Send this written statement no later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday) to Dr. Pamela J. Maimer, U.S. Department of Education, 400 Maryland Ave. SW, Room 258–24, Washington, DC 20202–4260. Telephone: (202) 453–6891. Email: ddra@ed.gov.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. Please send this statement to the person listed under FOR FURTHER INFORMATION CONTACT.

If your application is a paper application, you must mail the original and two copies of your application, on or before the
application deadline date, to the Department at the following address:
U.S. Department of Education,
Application Control Center, Attention:
(CFDA Number 84.022A), LBJ Basement
Level 1, 400 Maryland Avenue SW,
Washington, DC 20202–4260.

The IHE must show proof of mailing consisting of one of the following:
1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If the IHE mails its application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:
1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, the IHE should check with its local post office. We will not consider applications postmarked after the application deadline date.

c. Note for Mail or Hand Delivery of Paper Applications: If an IHE mails or hand delivers its application to the Department—
1. The IHE must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which the IHE is submitting its application; and
2. The Application Control Center will mail a notification of receipt of the IHE’s grant application. If the IHE does not receive this grant notification within 15 business days from the application deadline date, the IHE should call the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. Selection Criteria: The selection criteria for this competition are from the regulations for this program in 34 CFR 662.21 and are as follows:
   (a) Quality of proposed project. (60 points) The Secretary reviews each application to determine the quality of the research project proposed by the applicant. The Secretary considers—
      1. The statement of the major hypotheses to be tested or questions to be examined, and the description and justification of the research methods to be used;
      2. The relationship of the research to the literature on the topic and to major theoretical issues in the field, and the project’s originality and importance in terms of the concerns of the discipline;
      3. The preliminary research already completed in the United States and overseas or plans for such research prior to going overseas, and the kinds, quality and availability of data for the research in the host country or countries;
      4. The justification for overseas field research and preparations to establish appropriate and sufficient research contacts and affiliations abroad;
      5. The applicant’s plans to share the results of the research in progress and a copy of the dissertation with scholars and officials of the host country or countries; and
      6. The guidance and supervision of the dissertation advisor or committee at all stages of the project, including guidance in developing the project, understanding research conditions abroad, and acquainting the applicant with research in the field.
   (b) Qualifications of the applicant. (40 points) The Secretary reviews each application to determine the qualifications of the applicant. The Secretary considers—
      1. The overall strength of the applicant’s graduate academic record;
      2. The extent to which the applicant’s academic record demonstrates strength in area studies relevant to the proposed project;
      3. The applicant’s proficiency in one or more of the languages (other than English and the applicant’s native language) of the country or countries of research, and the specific measures to be taken to overcome any anticipated language barriers; and
      4. The applicant’s ability to conduct research in a foreign cultural context, as evidenced by the applicant’s references or previous overseas experience, or both.

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 106.8, and 110.23).

For FY 2020, student applications will be divided into seven categories based on the world area focus of their research projects, as described in the absolute priority. Language and area studies experts in discrete world area-based panels will review the student applications. Each panel will review, score, and rank its applications separately from the applications assigned to the other world area panels. However, all fellowship applications will be ranked together from the highest to lowest score for funding purposes.

3. Risk Assessment and Specific Conditions: Consistent with 2 CFR 200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grantee or applicant. A grantee or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. Integrity and Performance System: If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently $250,000), under 2 CFR 200.205(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII. A hazardous grant plus all the other Federal funds you receive exceed $10,000,000.
VI. Award Administration Information

1. Award Notices: If a student application is successful, we notify the IHE’s U.S. Representative and U.S. Senators and send the IHE a Grant Award Notification (GAN); or we may send the IHE an email containing a link to access an electronic version of the GAN. We may notify the IHE informally, also.

If a student application is not evaluated or not selected for funding, we notify the IHE.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

Regulations also incorporate the approved application as part of the binding commitments under the grant.

3. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).
(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. Grantees are required to use the electronic data instrument International Resource Information System (IRIS) to complete the final report. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/apppforms/apppforms.html.

4. Performance Measures: Under the Government Performance and Results Act of 1993 (GPRA), the objective for the Fulbright-Hays DDRA Fellowship Program is to provide grants to colleges and universities to fund individual doctoral students to conduct research in other countries in modern foreign languages and area studies for periods of 6 to 12 months.

The Department will use the following measures to evaluate its performance and financial expenditure and area studies skills within eight years of receiving their award.

DDRA GPRA Measure 1: The percentage of DDRA fellows who increased their foreign language skills and area studies within four years of receipt of the fellowship.

DDRA GPRA Measure 2: The percentage of DDRA fellows who complete their degree in their program of study within four years of receipt of the fellowship.

DDRA GPRA Measure 3: The percentage of DDRA fellows who found employment that utilized their language and area studies skills within eight years of receiving their award.

DDRA GPRA Measure 4: Efficiency Measure—The cost per DDRA fellow who found employment that utilized their language and area studies skills within eight years.

The information provided by grantees in their performance report submitted via IRIS will be the source of data for these measures. Reporting screens for institutions and fellows may be viewed at:

VII. Other Information

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) on request to the program contact person listed under FOR FURTHER INFORMATION CONTACT.

Electronic Access to This Document: The official version of this document is the document published in the Federal Register. You may access the official edition of the Federal Register and the Code of Federal Regulations at www.govinfo.gov. At this site you can view this document, as well as all other documents of this Department published in the Federal Register, in text or PDF. To use PDF you must have Adobe Acrobat Reader, which is available free at the site.

You may also access documents of the Department published in the Federal Register by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Robert L. King, Assistant Secretary for Postsecondary Education.

DEPARTMENT OF ENERGY

Nuclear Energy Advisory Committee

AGENCY: Office of Nuclear Energy, Department of Energy.

ACTION: Notice of renewal.

SUMMARY: Pursuant to the Federal Advisory Committee Act, and in accordance with Title 41 of the Code of Federal Regulations, and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Nuclear Energy Advisory Committee (NEAC) will be renewed for a two-year period beginning on December 11, 2019. The Committee will provide advice to the Department of Energy’s Office of Nuclear Energy on complex science and technical issues that arise in the planning, managing, and implementation of DOE’s nuclear energy program. Additionally, the renewal of the NEAC has been determined to be essential to conduct business of the Department of Energy and to be in the public interest in connection with the performance of duties imposed upon the Department of Energy, by law and agreement. The Committee will continue to operate in accordance with the provisions of the Federal Advisory Committee Act, adhering to the rules and regulations in implementation of that Act.

FOR FURTHER INFORMATION CONTACT:
Robert Rova, Designated Federal Officer at (301) 903–9096; email: robert.rova@nuclear.energy.gov.

Rachael J. Beitler, Acting Committee Management Officer.

DEPARTMENT OF ENERGY

Biological and Environmental Research Advisory Committee

AGENCY: Office of Science, Department of Energy.

ACTION: Notice of renewal.

SUMMARY: Pursuant to the Federal Advisory Committee Act, App.2, and Code of Federal Regulations, and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Biological and Environmental Research Advisory Committee’s (BERAC) charter will be renewed for a two-year period. The Committee provides advice and
