

October 11, 2019, Borusan Mannesmann Boru Sanayi ve Ticaret and Borusan Istikbal Ticaret submitted a request asking Commerce to reject the petitioners' request for an administrative review with respect to Borusan, maintaining that Borusan was specifically excluded from the antidumping order on OCTG and, thus, should not be part of the administrative review.⁴ Subsequently, on October 30, 2019, the petitioners timely withdrew their request of an administrative review with regard to entries by Borusan Mannesmann Boru Sanayi ve Ticaret, Borusan Istikbal Ticaret, Borusan Mannesmann Boru Yatirim Holding, and Borusan Lojistik Dag. Tas Ve (collectively, Borusan).⁵ On November 12, 2019, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on OCTG from Turkey with respect to 12 companies.⁶

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." On November 26, 2019, the petitioners timely withdrew their request for review of all remaining companies.⁷ Because we received no other requests for review of Bakır Grup Makine İmalat Bakım Montaj Demontaj Sanayi ve Ticaret Ltd. Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of OCTG from Turkey during the period September 1, 2018, through August 31, 2019, at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

government closure from December 22, 2018 through the resumption of operations on January 28, 2019.⁵ On August 7 and October 8, 2019, Commerce postponed the preliminary results of this review.⁶ Accordingly, the deadline for these preliminary results is December 10, 2019.

The product covered by the *Order* is steel concrete reinforcing bar from Taiwan. For a full description of the scope, see the Preliminary Decision Memorandum.⁷

Partial Rescission of Administrative Review

Commerce initiated a review of two companies in this proceeding: Power Steel and Lo-Toun Steel.⁸ We are rescinding this administrative review with respect to Lo-Toun Steel, pursuant to 19 CFR 351.213(d)(1), because the sole review request for Lo-Toun Steel was timely withdrawn.⁹ Accordingly, Power Steel is the only remaining company subject to this administrative review.

Exporter/producer	Estimated weighted-average dumping margin (percent)
Power Steel Co., Ltd	4.01

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If Power Steel's weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent), we will calculate an importer-specific *ad valorem* duty assessment rate based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁰ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If Power Steel's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Power Steel for which the company did not know that the merchandise was destined for the

¹⁰ In these preliminary results, Commerce applied the assessment rate calculation methodology adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company involved in the transaction. We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Power Steel will be the rate established in the final results of this review (except, if the *ad valorem* rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.50 percent, the all-others rate established in the investigation.¹¹

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

Commerce intends to disclose its calculations and analysis performed within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties will have the opportunity to comment on the preliminary results and may submit case briefs and/or written comments 30 days following the publication of the preliminary results.
