

this notice, the actual charge amounts at individual VA medical facilities based on the methodologies in § 17.101 will be posted on VA's Community Care website at https://www.va.gov/communitycare/revenue_ops/payer_rates.asp under the heading "Reasonable Charges Data Tables" and identified as "v3.27 Data Tables (Outpatient and Professional)."

The list of data sources used for calculating the actual charge amounts listed above also will be posted on VA's Community Care website under the heading "Reasonable Charges Data Sources" and identified as "Reasonable Charges v3.27 Data Sources (Outpatient and Professional) (PDF)."

Acute inpatient facility charges and skilled nursing facility/sub-acute inpatient facility charges remain the same as set forth in 84 FR 51727 published on September 30, 2019.

We are also updating the list of VA medical facility locations. The list of VA medical facility locations, including the first three digits of their zip codes as well as provider-based/non-provider-based designations, will be posted on VA's Community Care website under the heading "VA Medical Facility Locations" and identified as "v3.27 (Jan20)."

As indicated in 38 CFR 17.101(m), when VA provides or furnishes prescription drugs not administered during treatment, "charges billed separately for such prescription drugs will consist of the amount that equals the total of the actual cost to VA for the drugs and the national average of VA administrative costs associated with dispensing the drugs for each prescription." Section 17.101(m) includes the methodology for calculating the national average administrative cost for prescription drug charges not administered during treatment.

VA determines the amount of the national average administrative cost annually for the prior fiscal year (October through September) and then applies the charge at the start of the next calendar year. The national average administrative drug cost for CY 2020 is \$18.38. This change will be posted on VA's Community Care website at https://www.va.gov/COMMUNITYCARE/revenue_ops/admin_costs.asp under the heading "CY 2020 Average Administrative Cost for Prescriptions."

Consistent with § 17.101, the national average administrative cost, the updated data, and supplementary tables

containing the changes described in this notice will be posted online, as indicated in this notice. This notice will be posted on VA's Community Care website at https://www.va.gov/communitycare/revenue_ops/payer_rates.asp under the heading "Reasonable Charges Rules, Notices, and Federal Register" and identified as "v3.27 Federal Register Notice 01/01/20 (Outpatient and Professional), and National Average Administrative Cost (PDF)." The national average administrative cost, updated data, and supplementary tables containing the changes described will be effective until changed by a subsequent FR notice.
