

improve accountability for the use of universal service funding. The comparability requirements will ensure that rates are reasonably comparable for voice as well as broadband service, between urban and rural, insular, and high cost areas. Rates must be reasonably comparable so that consumers in rural, insular, and high cost areas have meaningful access to these services. This Order requires a statistically valid sample of urban providers to complete a survey with information regarding the types and prices of their offerings. The Commission conducts this survey through an online reporting form accessible to those urban providers of fixed voice and broadband services that are chosen to participate.

General description of report: The FR Y–9C consists of standardized financial statements similar to the Call Reports filed by commercial banks.¹ The FR Y–9C collects consolidated data from HCs and is filed quarterly by top-tier HCs with total consolidated assets of \$3 billion or more.²

The FR Y–9LP, which collects parent company only financial data, must be submitted by each HC that files the FR Y–9C, as well as by each of its subsidiary HCs.³ The report consists of standardized financial statements.

The FR Y–9SP is a parent company only financial statement filed semiannually by HCs with total consolidated assets of less than \$3 billion. In a banking organization with total consolidated assets of less than \$3 billion that has tiered HCs, each HC in the organization must submit, or have the top-tier HC submit on its behalf, a separate FR Y–9SP. This report is designed to obtain basic balance sheet and income data for the parent company, and data on its intangible assets and intercompany transactions.

The FR Y–9ES is filed annually by each employee stock ownership plan (ESOP) that is also an HC. The report collects financial data on the ESOP's benefit plan activities. The FR Y–9ES consists of four schedules: A Statement of Changes in Net Assets Available for Benefits, a Statement of Net Assets Available for Benefits, Memoranda, and Notes to the Financial Statements.

The FR Y–9CS is a free-form supplemental report that the Board may utilize to collect critical additional data

¹ The Call Reports consist of the FFIEC 051, as well as the Consolidated Reports of Condition and Income for a Bank with Domestic Offices Only (FFIEC 041) and the Consolidated Reports of Condition and Income for a Bank with Domestic and Foreign Offices (FFIEC 031).

² Under certain circumstances described in the FR Y–9C's General Instructions, HCs with assets under \$3 billion may be required to file the FR Y–9C.

³ A top-tier HC may submit a separate FR Y–9LP on behalf of each of its lower-tier HCs.
