SUPPLEMENTARY INFORMATION:

I. Abstract

The United States, the European Union (EU), and Switzerland share the goal of enhancing privacy protection for their citizens but take different approaches to doing so. Given those differences, the Department of Commerce (DOC) developed the EU-U.S. and Swiss-U.S. Privacy Shield Frameworks (Privacy Shield) in consultation with the European Commission, the Swiss Administration, industry, and other stakeholders. Privacy Shield provides U.S. organizations a reliable mechanism for personal data transfers to the United States from the EU and Switzerland, while ensuring data protection that is consistent with EU and Swiss law.

The European Commission and Swiss Administration deemed the EU-U.S. Privacy Shield Framework and Swiss-U.S. Privacy Shield Framework adequate to enable data transfers under EU and Swiss law, respectively, on July 12, 2016 and on January 12, 2017. The DOC began accepting self-certification submissions for the EU-U.S. Privacy Shield on August 1, 2016, and for the Swiss-U.S. Privacy Shield on April 12, 2017. More information on the Privacy
