II. Data

Amongst other actions necessary to carry out the Commission’s statutory duties, the Act authorizes the Commission to access and inspect all papers, books, and records relating to gross revenues of a gaming operation. The Act also requires tribes to provide the Commission with annual independent audits of their gaming operations, including audits of all contracts in excess of $25,000. 25 U.S.C. 2706(b)(2)(C), (D); 2710(d)(1)(A)(ii). The Act also authorizes the Commission to “promulgate such regulations and guidelines as it deems appropriate to implement” IGRA. 25 U.S.C. 2706(b)(10). Part 571 of title 25, Code of Federal Regulations, implements these statutory requirements.

Section 571.12 requires Indian gaming operations to keep/maintain permanent books of account and records sufficient to establish the amount of gross and net income, deductions and expenses, receipts and disbursements, and other relevant financial information. Section 571.7(c) requires that these records be kept for at least five years. Under §571.7(b), the Commission may require a gaming operation to submit statements, reports, accountings, and specific records that will enable the NIGC to determine whether or not such operation is liable for fees payable to the Commission (and in what amount). Section 571.7(d) requires a gaming operation to keep copies of all enforcement actions that a tribe or a state has taken against the operation.

Section 571.12 requires tribes to prepare comparative financial statements covering all financial activities of each class II and class III gaming operation on the tribe’s Indian lands, and to engage an independent certified public accountant to provide an annual audit of the financial statements of each gaming operation. Section 571.13 requires tribes to prepare and submit to the Commission two paper copies or one electronic copy of the financial statements and audits, together with management letter(s) and other documented auditor communications and/or reports as a result of the audit, setting forth the results of each fiscal year. The submission must be sent to the Commission within 120 days after the end of the fiscal year of each gaming operation, including when a gaming operation changes its fiscal year or when gaming ceases to operate. Section 571.14 requires tribes to reconcile quarterly fee reports with audited financial statements and to keep/maintain this information to be available to the NIGC upon request in order to facilitate the performance of compliance audits.

This information collection is mandatory and allows the Commission to fulfill its statutory responsibilities under IGRA to regulate gaming on Indian lands.

Title: NEPA Compliance.

OMB Control Number: 3141–0006.

Brief Description of Collection: The National Environmental Policy Act (NEPA), 42 U.S.C. 4321, et seq., and the Council on Environmental Quality’s (CEQ) implementing regulations, require federal agencies to prepare (or cause to be prepared) environmental documents for agency actions that may have a significant impact on the environment. Under NEPA, an Environmental Assessment (EA) must be prepared when the agency action cannot be categorically excluded, or the environmental consequences of the agency action will not result in a significant impact or the environmental impacts are unclear and need to be further defined. An Environmental Impact Statement (EIS) must be prepared when the agency action will likely result in significant impacts to the environment.

Amongst other actions necessary to carry out the Commission’s statutory duties, the Act requires the NGC Chair to review and approve third-party management contracts that involve the operation of tribal gaming facilities. 25 U.S.C. 2711. The Commission has taken the position that the NEPA process is triggered when a tribe and a potential contractor seek approval of a management contract. Normally, an EA or EIS and its supporting documents are prepared by an environmental consulting firm and submitted to the Commission by the tribe. In the case of an EA, the Commission independently evaluates the NEPA document, verifies its content, and assumes responsibility for the accuracy of the information contained therein. In the case of an EIS, the Commission directs and is responsible for the preparation of the NEPA document, but the tribe or potential contractor is responsible for paying for the preparation of the document. The information collected includes, but is not limited to, maps, charts, technical studies, correspondence from other agencies (federal, tribal, state, and local), and comments from the public. These information collections are mandatory and allow the Commission to carry out its statutory duties.

Respondents: Tribal governing bodies, management contractors.

Estimated Number of Respondents: 7.
Estimated Annual Responses: 7.
Estimated Time per Response:
Depending on whether the response is an EA or an EIS, the range of time can vary from 2 burden hours to 30 burden hours for one item.

Frequency of Response: Varies.
Estimated Total Annual Burden Hours on Respondents: 33.
Estimated Total Non-hour Cost Burden: $494,132.

Title: Issuance of Certificates of Self-Regulation to Tribes for Class II Gaming. OMB Control Number: 3141–0008.

Brief Description of Collection: The Act sets the standards for the regulation of Indian gaming, including a framework for the issuance of certificates of self-regulation for class II gaming operations to tribes that meet certain qualifications. Specifically, 25 U.S.C. 2710(c) authorizes the Commission to issue a certificate of self-regulation if it determines that a tribe has: (i) Conducted its gaming activity in a manner that has resulted in an effective and honest accounting of all revenues, in a reputation for safe, fair, and honest operation of the activity, and has been generally free of evidence of criminal or dishonest activity; (ii) adopted and is implementing adequate systems for the accounting of all revenues from the activity, for the investigation, licensing, and monitoring of all employees of the gaming activity, and for the investigation, enforcement, and prosecution of violations of its gaming ordinance and regulations; and (iii) conducted the operation on a fiscally and economically sound basis.

The Act also authorizes the Commission to “promulgate such regulations and guidelines as it deems appropriate to implement” IGRA. 25 U.S.C. 2706(b)(10). Part 518 of title 25, Code of Federal Regulations, implements these statutory requirements.

Section 518.3(e) requires a tribe’s gaming operation(s) and the tribal regulatory body (TRB) to have kept all records needed to support the petition for self-regulation for the three years immediately preceding the date of the petition submission. Section 518.4 requires a tribe petitioning for a certificate of self-regulation to submit the following to the Commission, accompanied by supporting documentation: (i) Two copies of a petition for self-regulation approved by the tribal governing body and certified as authentic; (ii) a description of how the tribe meets the eligibility criteria in § 518.3; (iii) a brief history of each gaming operation(s) included in the petition submission; (iv) a TRB organizational chart; (v) a brief description of the criteria that individuals must meet before being eligible for employment as a tribal regulator; (vi) a brief description of the process by which the TRB is funded, and the funding level for the three years immediately preceding the date of the petition; (vii) a list of the current regulators and TRB employees, their complete resumes, their titles, the dates that they began employment, and if serving limited terms, the expiration date of such terms; (viii) a brief description of the accounting system(s) at the gaming operation that tracks the flow of the gaming revenues; (ix) a list of the gaming activity internal controls at the gaming operation(s); (x) a description of the recordkeeping system(s) for all investigations, enforcement actions, and prosecutions of violations of the tribal gaming ordinance or regulations, for the three-year period immediately preceding the date of the petition; and (xi) the tribe’s current set of gaming regulations, if not included in the approved tribal gaming ordinance. Section 518.10 requires each Indian gaming tribe that has been issued a certificate of self-regulation to submit to the Commission the following information by April 15th of each year following the first year of self-regulation, or within 120 days after the end of each gaming operation’s fiscal year: (i) An annual independent audit; and (ii) a complete resume for all TRB employees hired and licensed by the tribe subsequent to its receipt of a certificate of self-regulation.

Submission of the petition and supporting documentation is voluntary. Once a certificate of self-regulation has been issued, the submission of certain other information is mandatory.

Respondents: Tribal governments.

Estimated Number of Respondents: 11.

Estimated Annual Responses: 11.
Estimated Time per Response:
Depending on the information collection, the range of time can vary from 1 burden hour to 284 burden hours for one item.

Frequency of Responses: One per year.
Estimated Total Annual Burden Hours on Respondents: 257.
Estimated Total Non-hour Cost Burden: $203,825.
