

limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date of the hearing, which will be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

Unless extended, we intend to issue the final results of this administrative review, including our analysis of all issues raised in any written brief, within 120 days of publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁶ We intend to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. Pursuant to Commerce's practice in NME cases, if we continue to determine in the final results that TMI and TMM had no shipments of subject merchandise, any suspended entries of subject merchandise during the POR from these companies will be liquidated at the China-wide rate.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of review, as provided for by section 751(a)(2)(C) of the Act: (1) For TMI, which claimed no shipments, the cash deposit rate will remain unchanged from the rate assigned to TMI in the most recently completed review of the company; (2) for previously investigated or reviewed Chinese and non-Chinese exporters who are not under review in this segment of the proceeding but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate (including TMM, which claimed no shipments, but has not been found to be separate from China-wide entity), the cash deposit rate will be China-wide rate of 141.49 percent; and (4) for all non-Chinese exporters of subject

merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to Chinese exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period. Failure to comply with this requirement may result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice is issued in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: December 30, 2019.

Cast Iron Soil Pipe Fittings From the People's Republic of China: Final Results of Changed Circumstances Reviews

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Commerce finds that Wor-Biz Industrial Product Co., Ltd. (Anhui) (Wor-Biz Industrial) is the successor-in-interest to Wor-Biz Trading Co., Ltd. (Anhui) (Wor-Biz Trading), and therefore is entitled to Wor-Biz Trading's antidumping duty (AD) and countervailing duty (CVD) cash deposit rates with respect to entries of subject merchandise.

DATES: Applicable January 8, 2020.

FOR FURTHER INFORMATION CONTACT: Michael Bowen at (202) 482-0768 (AD) or Dennis McClure at (202) 482-5973 (CVD), Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 31, 2018, Commerce published the AD and CVD orders on imports of cast iron soil pipe fittings from China.¹ On November 21, 2019, Commerce initiated changed circumstances reviews (CCRs) and made preliminary findings that Wor-Biz Industrial is the successor-in-interest to Wor-Biz Trading and is entitled to Wor-Biz Trading's AD and CVD cash deposit rates with respect to entries of subject merchandise.² We provided interested parties the opportunity to comment on the *Preliminary Results*. No interested parties submitted case briefs or written comments.

Scope of the Orders

The merchandise covered by the scope of these orders is cast iron soil pipe fittings, finished and unfinished, regardless of industry or proprietary specifications, and regardless of size. Cast iron soil pipe fittings are nonmalleable iron castings of various designs and sizes, including, but not limited to, bends, tees, wyes, traps, drains (other than drain bodies), and other common or special fittings, with or without side inlets.

Cast iron soil pipe fittings are classified into two major types—hubless and hub and spigot. Hubless cast iron soil pipe fittings are manufactured without a hub, generally in compliance with Cast Iron Soil Pipe Institute (CISPI) specification 301 and/or American Society for Testing and Materials (ASTM) specification A888. Hub and spigot pipe fittings have hubs into which the spigot (plain end) of the pipe or fitting is inserted. Cast iron soil pipe fittings are generally distinguished from other types of nonmalleable cast iron fittings by the manner in which they are connected to cast iron soil pipe and other fittings.

Excluded from the scope are all drain bodies. Drain bodies are normally classified in subheading 7326.90.86.88 of the Harmonized Tariff Schedule of the United States (HTSUS).

The cast iron soil pipe fittings subject to the scope of these orders are normally classified in subheading 7307.11.0045 of the HTSUS: Cast fittings of nonmalleable cast iron for cast iron soil

pipe. They may also be entered under HTSUS 7324.29.0000 and 7307.92.3010. The HTSUS subheadings and specifications are provided for convenience and customs purposes only; the written description of the scope of these orders is dispositive.

Final Results of Changed Circumstances Reviews

Because the record contains no information or evidence that calls into question the *Preliminary Results*, for the reasons stated in the *Preliminary Results*, Commerce continues to find that Wor-Biz Industrial is the successor-in-interest to Wor-Biz Trading, and thus is entitled to Wor-Biz Trading's AD and CVD cash deposit rates with respect to entries of subject merchandise.³

Instructions to U.S. Customs and Border Protection

Based on these final results, we will instruct U.S. Customs and Border Protection to collect estimated AD and CVD duties for all shipments of subject merchandise exported by Wor-Biz Industrial and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**, at the current AD and CVD cash deposit rates for Wor-Biz Trading (*i.e.*, 33.44%⁴ and 7.37%, respectively). These cash deposit requirements shall remain in effect until further notice.

Notification to Interested Parties

This notice serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these final results notice in accordance with sections 751(b) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.216 and 351.221(c)(3).

Dated: December 31, 2019.

Certain Corrosion-Resistant Steel Products From the Republic of Korea: Correction to Affirmative Final Determinations of Anti-Circumvention Inquiries on the Antidumping Duty and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is correcting the final determinations of anti-circumvention inquiries on the antidumping and countervailing duty orders on certain corrosion-resistant steel products (CORE) from the Republic of Korea (Korea).

DATES: Applicable January 8, 2020.

FOR FURTHER INFORMATION CONTACT:

Chien-Min Yang, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5484.

SUPPLEMENTARY INFORMATION: On December 26, 2019, Commerce published in the **Federal Register** the affirmative final determinations of anti-circumvention inquiries¹ related to the antidumping duty and countervailing duty orders on CORE from Korea.² The published **Federal Register** notice and accompanying Issues and Decision Memorandum (IDM) at page eight erroneously stated that the following five companies were not eligible for the certification process with regard to hot-rolled steel (HRS) and cold-rolled steel (CRS) from Korea:³ (1) Dai Thien Loc

¹ See *Certain Corrosion-Resistant Steel Products from the Republic of Korea: Affirmative Final Determinations of Anti-Circumvention Inquiries on the Antidumping Duty and Countervailing Duty Orders*, 84 FR 70948 (December 26, 2019) and accompanying Issues and Decision Memorandum (IDM).

² See *Certain Corrosion-Resistant Steel Products from India, Italy, the People's Republic of China, the Republic of Korea and Taiwan: Amended Final Affirmative Antidumping Determination for India and Taiwan, and Antidumping Duty Orders*, 81 FR 48390 (July 25, 2016); see also *Certain Corrosion-Resistant Steel Products from India, Italy, Republic of Korea and the People's Republic of China: Countervailing Duty Order*, 81 FR 48387 (July 25, 2016).

³ Importers and exporters of CORE produced in the Socialist Republic of Vietnam (Vietnam) using: (1) HRS manufactured in Vietnam or third countries; (2) CRS manufactured in Vietnam using HRS produced in Vietnam or third countries; and/or (3) CRS manufactured in third countries—if they qualify to participate in the certification process—

Corporation; (2) Formosa Ha Tinh Corporation; (3) Hoa Sen Group; (4) Ton Dong A Corp.; and (5) Vina One Steel Manufacturing. However, as noted in the IDM at page seventeen, Commerce has determined that these five companies are in fact eligible for the certification process. Therefore, we are hereby correcting the **Federal Register** notice and page eight of the accompanying IDM to make clear that these five companies are eligible to participate in the certification process. Consistent with this correction, we intend to send instructions to the U.S. Customs and Border Protection without listing these companies as ineligible to participate in the certification process. No other changes have been made to the affirmative final determinations.

Certain Collated Steel Staples From the People's Republic of China: Preliminary Affirmative Determination of Sales at Less Than Fair Value, Preliminary Affirmative Determination of Critical Circumstances, Postponement of Final Determination and Extension of Provisional Measures

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain collated steel staples (collated staples) from the People's Republic of China (China) are being, or are likely to be, sold in the United States at less than fair value (LTFV). The

must certify that the HRS or CRS processed into CORE in Vietnam did not originate in Korea, as provided in *Certain Corrosion-Resistant Steel Products from the Republic of Korea: Affirmative Final Determinations of Anti-Circumvention Inquiries on the Antidumping Duty and Countervailing Duty Orders*, 84 FR at 70950-51 (appendices II-IV).
