Notice Pursuant to the National Cooperative Research and Production Act of 1993—ASTM International Standards

Notice is hereby given that on December 11, 2019 pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), ASTM International (“ASTM”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, ASTM has provided an updated list of current, ongoing ASTM activities originating between September 11, 2019 and December 5, 2019, designated as Work Items. A complete listing of ASTM Work Items, along with a brief description of each, is available at <http://www.astm.org>.

On September 15, 2004, ASTM filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on November 10, 2004 (69 FR 65226).

The last notification with the Department was filed on September 17, 2019. A notice was filed in the **Federal Register** on November 18, 2019 (84 FR 63678).

Suzanne Morris,

Chief, Premerger and Division Statistics Unit, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Cooperative Research Group on Mechanical Stratigraphy and Natural Deformation in the Permian Strata of Texas and New Mexico: Implications for Exploitation of the Permian Basin—Phase 2

Notice is hereby given that, on December 4, 2019, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”),

Cooperative Research Group on Mechanical Stratigraphy and Natural Deformation in the Permian Strata of Texas and New Mexico: Implications for Exploitation of the Permian Basin—Phase 2 (“Permian Basin—Phase 2”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Diamondback E&P LLC, Midland, TX, has been added as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Permian Basin—Phase 2 intends to file additional written notifications disclosing all changes in membership.

On August 15, 2019, Permian Basin—Phase 2 filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on September 13, 2019 (84 FR 48377).

The last notification was filed with the Department on October 29, 2019. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on November 25, 2019 (84 FR 64923).

Suzanne Morris,

Chief, Premerger and Division Statistics Unit, Antitrust Division.
