Appendix

Scope of the Orders

The merchandise covered by these orders, polyester textured yarn, is synthetic multifilament yarn that is manufactured from polyester (polyethylene terephthalate). Polyester textured yarn is produced through a texturing process, which imparts special

properties to the filaments of the yarn, including stretch, bulk, strength, moisture absorption, insulation, and the appearance of a natural fiber. This scope includes all forms of polyester textured yarn, regardless of surface texture or appearance, yarn density and thickness (as measured in denier), number of filaments, number of plies, finish (luster), cross section, color, dye method, texturing method, or packing method (such as spindles, tubes, or beams).

Excluded from the scope of these orders is bulk continuous filament yarn that: (a) is polyester synthetic multifilament yarn; (b) has denier size ranges of 900 and above; (c) has turns per meter of 40 and above; and (d) has a maximum shrinkage of 2.5 percent.

The merchandise subject to these orders is properly classified under subheadings 5402.33.3000 and 5402.33.6000 of the Harmonized Tariff Schedule of the United States (HTSUS). Merchandise subject to these orders may also enter under HTSUS subheading 5402.52.00.¹² Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Forged Steel Fittings From India: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

DATES: Applicable January 10, 2020.

FOR FURTHER INFORMATION CONTACT: Lauren Caserta, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4737.

SUPPLEMENTARY INFORMATION:

Background

On November 12, 2019, the Department of Commerce (Commerce) initiated the countervailing duty (CVD) investigation of forged steel fittings from India.¹ Currently, the preliminary determination is due no later than January 16, 2020.

¹ See *Forged Steel Fittings from India: Initiation of Countervailing Duty Investigation*, 84 FR 64270 (November 21, 2019).

Postponement of the Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1)(A) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if a petitioner makes a timely request for a postponement. Under 19 CFR 351.205(e), a petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reason for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.²

On November 27, 2019, Bonney Forge Corporation and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union (collectively, petitioners) submitted a timely request pursuant to section 703(c)(1)(A) of the Act and 19 CFR 351.205(e) to postpone fully the preliminary determination. The petitioners stated that the purpose of their request was to provide Commerce with sufficient time to select appropriate respondents and conduct a full investigation in light of the complex nature of the basket categories in which subject imports are classified.³

In accordance with 19 CFR 351.205(e), the reason for requesting a postponement of the preliminary determination and the record does not present any compelling reasons to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to March 23, 2020.⁴ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

² See 19 CFR 351.205(e).

³ See Petitioner's Letter, "Forged Steel Fittings from India: Request to Postpone Preliminary Determination," dated November 27, 2019.

⁴ In this case, 130 days after initiation falls on Saturday, March 21, 2020. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: January 6, 2020.

Assistant Secretary for Enforcement and Compliance.

Polyester Textured Yarn From the People's Republic of China and India: Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing countervailing duty orders on polyester textured yarn from the People's Republic of China (China) and India.

DATES: Applicable January 10, 2020.

FOR FURTHER INFORMATION CONTACT: Janae Martin (India) or Joseph Dowling (China), AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-0238 or (202) 482-1646, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 19, 2019, Commerce published its final determinations in the countervailing duty investigations of polyester textured yarn from China and India.¹

On January 3, 2020, the ITC notified Commerce of its final affirmative determinations pursuant to sections 705(b)(1)(A)(i) and 705(d) of the Act that an industry in the United States is materially injured by reason of subsidized imports of polyester textured yarn from China and India, and of its determination that critical circumstances do not exist with respect

¹ See *Polyester Textured Yarn from the People's Republic of China: Final Affirmative Countervailing Duty Determination and Final Affirmative Determination of Critical Circumstances*, 84 FR 63845 (November 19, 2019), and accompanying Issues and Decision Memorandum (IDM); see also *Polyester Textured Yarn from India: Final Affirmative Countervailing Duty Determination*, 84 FR 63848 (November 19, 2019) and accompanying IDM (collectively, *Final Determinations*).

to imports of polyester textured yarn from China.²

Scope of the Orders

The product covered by these orders is polyester textured yarn from China and India. For a complete description of the scope of these orders, see the Appendix to this notice.

Countervailing Duty Orders

On January 3, 2020, in accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC notified Commerce of its final determinations in these investigations, in which it found that an industry in the United States is materially injured by reason of subsidized imports of polyester textured yarn from China and India. In accordance with section 705(c)(2) Act, we are publishing these countervailing duty orders.

Therefore, in accordance with section 706(a) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, countervailing duties on unliquidated entries of polyester textured yarn from China and India entered, or withdrawn from warehouse, for consumption on or after May 3, 2019, the date on which Commerce published its preliminary countervailing duty determinations in the **Federal Register**,³ and before August 31, 2019, the effective date on which Commerce instructed CBP to discontinue the suspension of liquidation in accordance with section 703(d) of the Act. Section 703(d) of the Act states that the suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months. Therefore, entries of polyester textured yarn from China and India made on or after August 31, 2019, and prior to the date of publication of the ITC's final determination in the **Federal Register**, are not subject to the assessment of countervailing duties due to Commerce's discontinuation of the suspension of liquidation.
