**SUPPLEMENTARY INFORMATION:**

#### I. Discussion

In 1990, Congress passed the Federal Civil Penalties Inflation Adjustment Act of 1990 (FCPIAA), to provide for regular adjustment for inflation of civil monetary penalties (CMPs). As amended by the Debt Collection Improvement Act of 1996, the FCPIAA required that the head of each Federal agency review, and if necessary, adjust by regulation the CMPs assessed under statutes enforced by the agency at least once every four years.

On November 2, 2015, the President signed into law the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the 2015 Improvements Act), which further amended the FCPIAA and requires Federal agencies to adjust their CMPs annually for inflation no later than January 15 of each year. These requirements apply to the NRC's maximum CMP amounts for (1) a violation of the Atomic Energy Act (AEA) of 1954, as amended, or any regulation or order issued under the AEA, codified in § 2.205(j) of title 10 of the *Code of Federal Regulations* (10 CFR), "Civil Penalties"; and (2) a false claim or statement made under the Program Fraud Civil Remedies Act, codified in § 13.3, "Basis for Civil Penalties and Assessments."
