[Public Notice 10967]

Designation of Iranian Entity Pursuant to Executive Order 13382

ACTION: Notice of Designation.

SUMMARY: Pursuant to the authority in Section 1(ii) of Executive Order 13382, “Blocking Property of Weapons of Mass Destruction Proliferators and Their Supporters,” the State Department, in consultation with the Secretary of the Treasury and the Attorney General, has determined that Mahan Air engaged, or attempted to engage, in activities or transactions that have materially contributed to, or pose a risk of materially contributing to, the proliferation of weapons of mass destruction or their means of delivery (including missiles capable of delivering such weapons), including any efforts to manufacture, acquire, possess, develop, transport, transfer or use such items, by any person or foreign country of proliferation concern.

DATES: Mahan Air was designated pursuant to Executive Order 13382 on December 11, 2019.

FOR FURTHER INFORMATION CONTACT: Harry Thompson, Office of Counterproliferation Initiatives, Bureau of International Security and

Nonproliferation, Department of State, Washington, DC 20520, tel.: 202-736-7065.

SUPPLEMENTARY INFORMATION: On June 28, 2005, the President, invoking the authority, *inter alia*, of the International Emergency Economic Powers Act (50 U.S.C. 1701-1706) (“IEEPA”), issued Executive Order 13382 (70 CFR 38567, July 1, 2005) (the “Order”), effective at 12:01 a.m. eastern daylight time on June 30, 2005. In the Order the President took additional steps with respect to the national emergency described and declared in Executive Order 12938 of November 14, 1994, regarding the proliferation of weapons of mass destruction and the means of delivering them.

Section 1 of the Order blocks, with certain exceptions, all property and interests in property that are in the United States, or that hereafter come within the United States or that are or hereafter come within the possession or control of United States persons, of: (1) The persons listed in the Annex to the Order; (2) any foreign person determined by the Secretary of State, in consultation with the Secretary of the Treasury, the Attorney General, and other relevant agencies, to have engaged, or attempted to engage, in activities or transactions that have materially contributed to, or pose a risk of materially contributing to, the proliferation of weapons of mass destruction or their means of delivery, including any efforts to manufacture, acquire, possess, develop, transport, transfer or use such items, by any person or foreign country of proliferation concern; (3) any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Attorney General, and other relevant agencies, to have provided, or attempted to provide, financial, material, technological or other support for, or goods or services in support of, any activity or transaction described in clause (2) above or any person whose property and interests in property are blocked pursuant to the Order; and (4) any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Attorney General, and other relevant agencies, to be owned or controlled by, or acting or purporting to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the Order.

BILLING CODE 4710–27–P

DEPARTMENT OF TRANSPORTATION**Federal Highway Administration****Rescinding the Notice of Intent for an Environmental Impact Statement: Washington and Benton Counties, Arkansas**

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Rescind Notice of Intent (NOI) to prepare an Environmental Impact Statement (EIS).

SUMMARY: The FHWA is issuing this notice to advise the public that the NOI for the preparation of an EIS to study a proposed intermodal highway project in Washington and Benton Counties, Arkansas is being rescinded. The NOI was published in the **Federal Register** on February 4, 2000, and a draft EIS was released in October 2012. This rescission is based on important changes in the existing infrastructure that allows for a substantially reduced scope of work.

FOR FURTHER INFORMATION CONTACT: Peter A. Jilek, FHWA—Acting Division Administrator, Arkansas Division Office, 700 West Capitol Ave., Rm. 3130, Little Rock, AR 72201–3298; 501–324–5625; fax: 501–324–6423.

SUPPLEMENTARY INFORMATION: The FHWA in cooperation with the Arkansas Department of Transportation and the Northwest Regional Airport Authority, initiated a study to identify a new intermodal access road to the Northwest Regional Airport. The project was studied as a toll facility connecting the Northwest Regional Airport to either US 71 (currently I–49) or US 412 for

approximately eight to twelve miles. A preferred alternative was not determined. The NOI for the previously notified EIS is being rescinded due to important infrastructure changes affecting the originally proposed alternatives. With the upgrade of US 71 to I–49 and the construction of the Northern Springdale Bypass the scale of the project, the range of alternatives, and the potential for significant impacts is substantially reduced. The reduced scope allows for a separate project to be completed that will satisfy the purpose and need and would likely be studied as an Environmental Assessment.

Comments and questions concerning the proposed action should be directed to the FHWA contact person at the address provided above.

Authority: 23 U.S.C. 315; 49 CFR 1.48 rescind.

Issued on: January 9, 2010.

Peter A. Jilek,

Acting Division Administrator, Little Rock, AR.

DEPARTMENT OF TRANSPORTATION**Federal Motor Carrier Safety Administration**

[Docket No. FMCSA–2019–0048]

California’s Meal and Rest Break Rules for Drivers of Passenger-Carrying Commercial Motor Vehicles; Petition for Determination of Preemption

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Order; grant of petition for determination of preemption.

SUMMARY: The FMCSA grants the petition submitted by the American Bus Association (ABA) requesting a determination that the State of California’s Meal and Rest Break rules (MRB rules) are preempted under 49 U.S.C. 31141 as applied to passenger-carrying commercial motor vehicle drivers subject to FMCSA’s hours of service regulations. Federal law provides for preemption of State laws on commercial motor vehicle safety that are additional to or more stringent than Federal regulations if they (1) have no safety benefit; (2) are incompatible with Federal regulations; or (3) would cause an unreasonable burden on interstate commerce. The FMCSA has determined that California’s MRB rules are laws on commercial motor vehicle (CMV) safety, that they are more stringent than the Agency’s hours of service regulations,

that they have no safety benefits that extend beyond those already provided by the Federal Motor Carrier Safety Regulations, that they are incompatible with the Federal hours of service regulations, and that they cause an unreasonable burden on interstate commerce. The California MRB rules, therefore, are preempted under 49 U.S.C. 31141(c).

Background

On January 10, 2019, ABA petitioned FMCSA to preempt California statutes and rules requiring employers to give their employees meal and rest breaks during the work day, as applied to drivers of passenger-carrying CMVs subject to FMCSA’s hours of service (HOS) regulations. For the reasons set forth below, FMCSA grants the petition.

California Meal and Rest Break Rules

Section 512, Meal periods, of the California Labor Code reads, in part, as follows:

“(a) An employer may not employ an employee for a work period of more than five hours per day without providing the employee with a meal period of not less than 30 minutes, except that if the total work period per day of the employee is no more than six hours, the meal period may be waived by mutual consent of both the
