Abstract of Proposed Collection

The International Exchange Alumni website (alumni.state.gov) requires information to process users' voluntary request for participation in the International Exchange Alumni network. Other than contact and exchange program information, which is

required for website registration, all other information is provided on a voluntary basis. Participants also have the option of restricting access to their information.

Respondents to this registration form are U.S. government-sponsored exchange program participants and alumni. The Office of Alumni Affairs collects data from users not only to verify their status or participation in a program, but to help alumni network with one another and aid Embassy staff in their alumni outreach. Once a user account is activated, the same information may be used for contests, competitions, and other public diplomacy initiatives in support of Embassy and foreign policy goals.

Methodology

Information provided for registration is collected electronically via the Alumni website, alumni.state.gov.

Additional Information

International Exchange Alumni is a secure, encrypted website.
