SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a multi-step process including: (1) Data Workshop; (2) Assessment Process utilizing webinars; and (3) Review Workshop. The product of the Data Workshop is a data report that compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Privacy Act of 1974; System of Records

AGENCY: Corporation for National and Community Service.

ACTION: Notice of a new system of records; and rescindment of four system of records notices.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, the Corporation for National and Community Service (CNCS), Department of the Chief of Program Operations proposes to add a new system of records entitled CNCS-04-CPO-MMF-Member Management Files (MMF). CNCS will use the system of records to select, place, manage, oversee, and support individuals who apply to become an AmeriCorps Service Member (Applicants) and those who are or have been an active AmeriCorps Service Member (Members). It will replace four existing system of records that will be rescinded by this notice.

DATES: You may submit comments until February 24, 2020. This System of Records Notice (SORN) will be effective February 24, 2020 unless CNCS receives any timely comments which would result in a contrary determination.

ADDRESSES: You may submit comments, identified by system name and number, to CNCS via any of the following methods:

1. Electronically through *regulations.gov*. Once you access *regulations.gov*, locate the web page for this SORN by searching for *CNCS-04-CPO-MMF-Member Management Files (MMF)*. If you upload any files, please make sure they include your first name, last name, and the name of the proposed SORN.

2. By email at *privacy@cns.gov*.

3. *By mail:* Corporation for National and Community Service, Attn: Chief

Privacy Officer, OIT, 250 E Street SW, Washington, DC 20525.

4. By hand delivery or courier to CNCS at the address for mail between 9:00 a.m. and 4:00 p.m. Eastern Standard Time, Monday through Friday, except for Federal holidays.

Please note that all submissions received may be posted without change to *regulations.gov*, including any personal information.

FOR FURTHER INFORMATION CONTACT: If you have general questions about the system of record, you may email them to *privacy@cns.gov* or mail them to the address in the **ADDRESSES** section above. Please include the system of record's name and number.

SUPPLEMENTARY INFORMATION:

Additional information about AmeriCorps is available at <https://nationalservice.gov/programs/ameri-corps>.

There are four CNCS SORNS that will be rescinded because their records will be incorporated into CNCS-04-CPO-MMF:

- (1) Domestic Full-time Member Census Master File—Corporation-3;
- (2) AmeriCorps Full-time Member Personnel Files—Corporation-4;
- (3) AmeriCorps Member Individual Accounts—Corporation-8; and
- (4) AmeriCorps*VISTA Volunteer Management System Files—Corporation-18.

Replacing the four SORNS with CNCS-04-CPO-MMF will result in one CNCS SORN that:

- (1) Conforms to the template requirements prescribed in Office of Management and Budget Circular Number A-108, Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act;
- (2) States that the records in the system are Unclassified;
- (3) Includes updated addresses that reflect the system's new location;
- (4) Permits the collection of records about all Members, Applicants, and everyone who provides a reference for an Applicant (References);
- (5) Permits the collection of a broader range of records about the Members, Applicants, and References from a broader range of sources and use them for a broader range of purposes;
- (6) Has routine uses that are specific to the system and meet current requirements. This includes two new routine uses to comply with Office of Management and Budget Memorandum M-17-12, Preparing for and Responding to a Breach of Personally Identifiable Information;
- (7) Allows the records to be retrieved using additional personal identifiers;

(8) Discusses the current safeguards used to protect the records; and

(9) Has new record access, contesting record, and notification sections that invite individuals to follow a simpler and more defined process;

The four SORNS that will be rescinded, both individually and collectively, do not contain the information that A-108 requires or permit all the activities which are necessary to effectively operate AmeriCorps.

CNCS determined that this combined notice is the most efficient, logical, taxpayer-friendly, and user-friendly method of complying with the publication requirements of the Privacy Act. The subject records reflect a common purpose, common functions, and common user community. This notice of a new SORN; and rescindment of four SORNS, as required by 5 U.S.C. 552a, also fully complies with all Office of Management and Budget policies.
