

CFR 1152.50(d)(1) (notice to governmental agencies) have been met.²

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA)³ to subsidize continued rail service has been received, this exemption will be effective on February 23, 2020, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues and formal expressions of intent to file an OFA to subsidize continued rail service under 49 CFR 1152.27(c)(2)⁴ must be filed by February 3, 2020.⁵ Petitions for reconsideration must be filed by February 13, 2020, with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423-0001.

A copy of any petition filed with Board should be sent to PNWR's representative, Justin J. Marks, Clark Hill PLC, 1001 Pennsylvania Ave. NW, Suite 1300 South, Washington, DC 20004.

If the verified notice contains false or misleading information, the exemption is void ab initio.

Board decisions and notices are available at www.stb.gov.

Decided: January 16, 2020.

By the Board, Allison C. Davis, Director, Office of Proceedings.

Kenyatta Clay,

Clearance Clerk.

² PNWR filed a corrected notice of newspaper publication and corrected letters providing notice to governmental entities on January 6, 2020.

³ Persons interested in submitting an OFA to subsidize continued rail service must first file a formal expression of intent to file an offer, indicating the intent to file an OFA for subsidy and demonstrating that they are preliminarily financially responsible. *See* 49 CFR 1152.27(c)(2)(i).

⁴ The filing fee for OFAs can be found at 49 CFR 1002.2(f)(25).

⁵ Because this is a discontinuance proceeding and not an abandonment, rail use/rail banking and public use conditions are not appropriate. Because there will be an environmental review during abandonment, this discontinuance does not require environmental review.
