Submission of requests to make an oral comment regarding a specific accrediting agency under review, or to make an oral comment or written statement regarding other issues within the scope of NACIQI's authority: Opportunity to submit a written statement regarding a specific accrediting agency under review was solicited by a previous **Federal Register** notice published on September 4, 2019 (Vol. 84, No. 171). The period for submission of such statements are now closed. Additional written comments regarding a specific agency or state approval agency under review will not be accepted at this time. However, members of the public may submit written statements regarding other issues within the scope of NACIQI's authority ("Written Statements") for consideration by NACIQI in the manner described below. No individual in attendance or making oral comments may distribute written materials at the meeting. Oral comments may not exceed three minutes.

Oral comments about an agency's recognition after review of a compliance report must relate to issues identified in the senior Department official's letter that requested the report, or in the Secretary's appeal decision, if any, and the criteria for recognition cited in the senior Department official's letter, or in the Secretary's appeal decision. Oral comments about an agency seeking expansion of scope must be directed to the agency's ability to serve as a recognized accrediting agency with respect to the kinds of institutions or programs requested to be added. Oral comments about the renewal of an agency's recognition must relate to its compliance with the Criteria for the Recognition of Accrediting Agencies, which are available at <http://www.ed.gov/admins/finaid/accred/index.html>. Written Statements and oral comments concerning NACIQI's work outside of a specific accrediting agency

under review must be limited to the scope of NACIQI's authority as outlined under section 114 of the HEA.

To request to make a third-party oral comment of three minutes or less at the February 27, 2020 meeting, please follow either Method One or Method Two noted below. To submit a Written Statement to NACIQI concerning its work outside a specific accrediting agency under review, please follow Method One.

Method One: Submit a request by email to the *ThirdPartyComments@ed.gov* mailbox. Please do not send material directly to NACIQI members. Written Statements and requests to make oral comment must be received by February 14, 2020. Include in the subject line "Oral Comment Request: (agency name)," "Oral Comment Request: (subject)" or "Written Statement: (subject)." The email must include the name(s), title, organization/affiliation, mailing address, email address, telephone number, of the person(s) submitting a Written Statement or requesting to speak, and a brief summary (not to exceed one page) of the principal points to be made during the oral presentation, if applicable. All individuals submitting an advance request in accordance with this notice will be afforded an opportunity to speak.

Method Two: Register at the meeting location on February 27, 2020, from 7:30 a.m.–8:30 a.m., to make an oral comment during NACIQI's deliberations. The requestor must provide the subject on which he or she wishes to comment, in addition to his or her name, title, organization/affiliation, mailing address, email address, and telephone number. A total of up to fifteen minutes for each agenda item will be allotted for oral commenters who register on February 27, 2020, by 8:30 a.m. Individuals will be selected on a first-come, first-served basis. If selected, each commenter may not exceed three minutes.

Access to Records of the Meeting: The Department will post the official report of the meeting on the NACIQI website within 90 days after the meeting. In addition, pursuant to the FACA, the public may request to inspect records of the meeting at 400 Maryland Avenue SW, Washington, DC, by emailing *asrecordsmanager@ed.gov* or by calling (202) 453–7415 to schedule an appointment.

Reasonable Accommodations: The meeting site is accessible to individuals with disabilities. If you will need an auxiliary aid or service to participate in the meeting (e.g., interpreting service, assistive listening device, or materials in

an alternate format), notify the contact person listed in this notice at least two weeks before the scheduled meeting date. Although we will attempt to meet a request received after that date, we may not be able to make available the requested auxiliary aid or service because of insufficient time to arrange it.

Dominion Energy Cove Point LNG, LP; Application for Blanket Authorization To Export Liquefied Natural Gas to Non-Free Trade Agreement Countries on a Short-Term Basis

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

SUMMARY: The Office of Fossil Energy (FE) of the Department of Energy (DOE) gives notice (Notice) of receipt of an application (Application), filed on December 23, 2019, by Dominion Energy Cove Point LNG, LP (DECP). DECP requests blanket authorization to export both domestically produced liquefied natural gas (LNG) and LNG previously imported by vessel from foreign sources in a total volume equivalent to 250 billion cubic feet (Bcf) of natural gas on a cumulative basis over a two-year period commencing on March 2, 2020. DECP seeks to export this LNG from the Cove Point LNG

Terminal (Terminal) located in Calvert County, Maryland. DECP filed the Application under section 3 of the Natural Gas Act (NGA). Protests, motions to intervene, notices of intervention, and written comments are invited.

DATES: Protests, motions to intervene, or notices of intervention, as applicable, requests for additional procedures, and written comments are to be filed using procedures detailed in the Public Comment Procedures section no later than 4:30 p.m., Eastern time, February 24, 2020.

SUPPLEMENTARY INFORMATION: DECP requests a short-term blanket authorization to export LNG from the Terminal to any country with the capacity to import LNG via ocean-going carrier and with which trade is not prohibited by U.S. law or policy. This includes both countries with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas (FTA countries) and all other countries (non-FTA countries). DECP intends to source these exports from both domestically produced LNG and LNG previously imported by vessel at

the Terminal from foreign sources. This Notice applies only to the portion of the Application requesting authority to export LNG to non-FTA countries pursuant to section 3(a) of the NGA, 15 U.S.C. 717b(a).¹ DOE/FE will review DECP's request for a FTA export authorization separately pursuant to section 3(c) of the NGA, 15 U.S.C. 717b(c).

DECP requests this authorization on its own behalf and as agent for other entities who hold title to the LNG at the time of export. Additional details can be found in the Application, posted on the DOE/FE website at: <https://www.energy.gov/fe/downloads/dominion-energy-cove-point-llc-fe-dkt-no-19-156-lng>.

DOE/FE Evaluation

In reviewing DECP's request, DOE will consider any issues required by law or policy. DOE will consider domestic need for the natural gas, as well as any other issues determined to be appropriate, including whether the arrangement is consistent with DOE's policy of promoting competition in the marketplace by allowing commercial parties to freely negotiate their own trade arrangements. As part of this analysis, DOE will consider the study entitled, *Macroeconomic Outcomes of Market Determined Levels of U.S. LNG Exports* (2018 LNG Export Study),² and DOE/FE's response to public comments received on that Study.³

Additionally, DOE will consider the following environmental documents:

- *Addendum to Environmental Review Documents Concerning Exports of Natural Gas From the United States*, 79 FR 48132 (Aug. 15, 2014);⁴
- *Life Cycle Greenhouse Gas Perspective on Exporting Liquefied*

Parties that may oppose this Application should address these issues and documents in their comments and protests, as well as other issues deemed relevant to the Application.
