

Abstract: This request is for an extension to the current information collection 1845–0038 that is expiring. This collection pertains to the recordkeeping requirements contained in the regulations related to the administration of the Subpart K—Cash Management section of the Student Assistance General Provisions. The regulatory language has not changed. These program regulations are designed to provide benefits to Title IV, HEA applicants, and protect the taxpayers' interest. The information collection requirements in these regulations are necessary to provide students with required information about their eligibility to receive funding under the federal student financial aid programs and to prevent fraud and abuse of program funds by allowing students to reduce or reject aid being offered as well as being made aware of when such funding can be expected to be available.

Abstract: On July 6, 2012, the Moving Ahead for Progress in the 21st Century

Act (MAP-21) was signed into law. MAP-21 included two changes to the William D. Ford Federal Direct Loan (Direct Loan) Program. Specifically, MAP-21 amended section 455 of the Higher Education Act of 1965, as amended (HEA) to extend the 3.4 percent fixed interest rate that applies to Direct Subsidized Loans made to undergraduate students to loans for which the first disbursement is made before July 1, 2013. Second, the law placed a limit on Direct Subsidized Loan eligibility for new borrowers on or after July 1, 2013. Specifically, a new borrower on or after July 1, 2013 is no longer eligible to receive additional Direct Subsidized Loans if the period during which the borrower has received such loans exceeds 150 percent of the published length of the borrower's educational program.
