**SUPPLEMENTARY INFORMATION:** The SMAC was established on August 14, 2001, pursuant to the Steens Mountain Cooperative Management and Protection Act of 2000 (Steens Act) (Pub. L. 106–399). The SMAC's Recreation and Visitor Use Subcommittee was established in 2019 and serves to research, discuss, and evaluate any recreation and visitor use issue in the Steens Mountain CMPA. Issues could relate to parking, hiking, motorized or non-motorized use, signage, interpretation, private to public land access by way of an easement or other agreement, or purchase or exchange of public and private land for improved recreation opportunities and contiguous landscape. The

Subcommittee reviews all aspects of any recreation or visitor use issue, formulates suggestions for remedy, and proposes those solutions to the entire SMAC for further discussion and possible recommendation to the BLM.

The February 13 agenda includes an update from the Designated Federal Official, review of 2019 recreation statistics for the Steens Mountain area, discussion on the SMAC's definition of "reasonable access" and constituent feedback, and a discussion on recreation and visitor access at Home Creek Canyon.
