In addition, the investigation terminated as to LaMountain based on a consent order stipulation. Order No. 15, *unreviewed*, Notice (Oct. 22, 2018). The investigation has also previously terminated as to certain claims of each asserted patent.

Order No. 30, *unreviewed*, Notice (May 13, 2019).

On April 11, 2019, Varidesk moved for summary determination of a violation of section 337 as to the remaining eleven respondents, who were served with a copy of the complaint, but had not filed a response or participated in the investigation. On April 24, 2019, Varidesk filed a supplement to the motion. The remaining respondents (collectively, "the Non-Participating Respondents") are: (1) Albeit, (2) ATC Supply, (3) Shenzhen ATC, (4) Amazon Imports, (5) Ningbo GYL, (6) JV Products, (7) Vanson Distributing, (8) Vanson Group, (9) Haining Orizeal, (10) Smugdesk, and (11) Wuhu Xingdian. On April 26, 2019, OUII filed a response supporting Varidesk's motion in substantial part.

On September 13, 2019, the presiding administrative law judge ("ALJ") issued an initial determination ("ID") (Order No. 33), and a recommended determination ("RD") on remedy and bonding. The ID granted the motion in part. Specifically, the ALJ found, *inter alia*, (1) that Varidesk established the importation requirement as to each Non-Participating Respondent, except for Haining Orizeal; (2) that Varidesk established infringement as to all accused products and all remaining asserted claims (claims 1–2, 4, and 10–11 of the '703 patent; claims 11, 16, 18, and 22–26 of the '809 patent; claims 1, 4–5, 11–12, 26, and 33–36 of the '644 patent; and claims 20–21 and 40–50 of the '793 patent); and (3) that Varidesk satisfied the domestic industry requirement for each asserted patent. In addition, the ALJ recommended that the Commission issue a general exclusion order and impose a 100 percent bond during the period of Presidential review. The ALJ also recommended that the Commission not issue cease and desist orders directed to the Non-Participating Respondents.

On October 29, 2019, the Commission determined not to review the ID. 84 FR 59417 (Nov. 4, 2019). The Commission's determination resulted in finding a violation of section 337 as to Albeit, ATC Supply, Shenzhen ATC, Amazon Imports, Ningbo GYL, JV Products, Vanson Distributing, Vanson Group, Smugdesk, and Wuhu Xingdian, but not as to Haining Orizeal. *See id.* The Commission also requested written submissions on remedy, the public interest, and bonding. *See id.* On November 13, 2019, Varidesk and OUII submitted their briefs on remedy, the public interest, and bonding. Varidesk further filed a response brief on November 20, 2019.

The Commission has determined that the appropriate remedy in this investigation is: (1) A GEO prohibiting the unlicensed importation of platforms that sit on an existing desk or work surface and can be adjusted to different heights that infringe one or more of claims 1–2, 4, and 10–11 of the '703 patent; claims 11, 16, 18, and 22–26 of the '809 patent; claims 1, 4–5, 11–12, 26, and 33–36 of the '644 patent; and claims 20–21 and 40–50 of the '793 patent; and (2) CDOs prohibiting respondents Albeit, ATC Supply, Amazon Import, JV Products, Vanson Distributing, Vanson Group, and Smugdesk from further importing, selling, and distributing infringing products in the United States. (Chairman Johanson and Commissioner Stayin dissent with respect to the Commission's determination to issue CDOs in this investigation.) The Commission has also determined that the public interest factors enumerated in paragraphs 337(d)(1) and (f)(1), 19 U.S.C. 1337(d)(1) and (f)(1), do not preclude issuance of these remedial orders. Finally, the Commission has determined that the bond during the period of Presidential review pursuant to 19 U.S.C. 1337(j) shall be in the amount of 100 percent of the entered value of the imported articles. The Commission's order was delivered to the President and to the United States Trade Representative on the day of its issuance. The investigation is hereby terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 22, 2020.

Secretary to the Commission.

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to vacate the portion of its final determination relating to United States Patent No. 5,904,172 (“the ‘172 patent”) and its limited exclusion order based thereon.

FOR FURTHER INFORMATION CONTACT: Michael Liberman, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3115. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: On December 26, 2017, the United States Court of Appeals for the Federal Circuit issued an order holding that the appeal in *Sizewise Rentals LLC v. International Trade Commission*, Appeal No. 2017–2334, had become moot during the pendency of the appeal and remanded the investigation to the Commission to determine whether to vacate the underlying final determination relating to the sole patent at issue on appeal, the '172 patent.

The Federal Circuit appeal at issue stemmed from Investigation No. 337–TA–971, *Certain Air Mattress Systems, Components Thereof, and Methods of Using the Same*. This investigation was

instituted based on a complaint filed on October 16, 2015 by Complainants Select Comfort Corporation and Select Comfort SC Corporation (collectively, “Complainants”) that alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by Sizewise Rentals LLC, American National Manufacturing Inc., and Dires LLC (d/b/a Personal Comfort Bed) (collectively, “Respondents”), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain air mattress systems, components thereof, and methods of using the same that infringe certain claims of the '172 patent and United States Patent No. 7,389,554 (“the '554 patent”). See 80 FR 72738 (Nov. 20, 2015).

On November 18, 2016, the presiding Administrative Law Judge issued a final initial determination (“ID”) finding no violation of section 337 with respect to either patent. The Commission determined to review the ID in part, and on review, the Commission found a violation of section 337 with regard to the '172 patent and issued a limited exclusion order prohibiting the unlicensed entry of infringing air mattress systems, components thereof, and methods of using the same. *Certain Air Mattress Systems, Components Thereof, and Methods of Using the Same*, Inv. No. 337–TA–971, Comm'n Op. at 61–62 (May 17, 2018); 82 FR 8623 (Jan. 27, 2017); 82 FR 23593–5 (May 23, 2017). The Commission found no violation with regard to the '554 patent.

On July 19, 2017, Respondents filed an appeal to the Federal Circuit requesting review of the Commission's final determination regarding the '172 patent. Appeal No. 2017–2334. On October 18, 2017, the Commission filed a motion to dismiss the appeal as moot because the '172 patent had expired on July 28, 2017. Respondents did not object to the dismissal but requested vacatur of the Commission's final determination. Complainants also did not object to dismissal, but did object to vacatur. On December 26, 2017, the Federal Circuit issued its Order in which the Commission's motion was “granted to the extent that the appeal is deemed moot and the case is remanded for the Commission to address whether to vacate its final determination relating to the '172 patent.” Court Order at 3.

On February 26, 2018, the Commission ordered the parties to submit comments on whether the Commission should vacate its final determination regarding the '172 patent. Commission Order at 3. All relevant
