SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is

seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on November 8, 2019 (84 FR 60429).

A. Overview of Information Collection

Title of Information Collection: License for the Use of Personally Identifiable Information Protected Under the Privacy Act of 1974.

OMB Approval Number: 2528-0297.

Type of Request: Revision of currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: The United States Department of Housing and Urban Development (HUD) collects and maintains personally identifiable information on tenants in public and assisted housing, the confidentiality of which is protected by the Privacy Act of 1974 (5 U.S.C. 552a). On occasion, HUD shares this information with researchers subject to stringent requirements to protect these households from unauthorized disclosure of information. The purpose for sharing is to further policy-relevant research on the effectiveness of HUD programs.

HUD may, under the terms of its Routine Use Inventory (77 FR 17361), share these data with researchers whom HUD has awarded contracts, grants, or service agreements. HUD has shared data with contractors and grantees and will continue to share data under service agreements because it has a legal form for effectuating such an agreement. HUD does not limit access to the information to parties that have received specific funding to carry out a study through a grant or contract. Instead, HUD also shares the data with legitimate research organizations that have conceived policy-relevant analyses and that are able and willing to protect the data from unauthorized disclosure. The legal form for the service agreement is herein called a "license."

HUD will continue making the data available for statistical, research, or evaluation purposes to organizations qualified and capable of research and analysis consistent with the statistical, research, or evaluation purposes for which the data were provided or are maintained, but only if the data are used and protected in accordance with the terms and condition stated in the license, upon receipt of such assurance of qualification and capability, and it is agreed by the organization requesting such information and HUD.
