

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****[Docket Number FRA–2020–0008]****Petition for Waiver of Compliance**

Under part 211 of title 49 Code of Federal Regulations (CFR), this provides the public notice that on January 10, 2020, CSX Transportation, Inc. (CSXT) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 232, *Brake System Safety Standards for Freight and Other Non-Passenger Trains and Equipment; End-of-Train Devices*. FRA assigned the petition Docket Number FRA–2020–0008.

Specifically, CSXT proposes to use proprietary software technology to implement a virtual three-dimensional simulation as an alternative to satisfy the “hands-on” portion of periodic refresher training required by 49 CFR 232.203(b)(8). Refresher training is required at intervals not to exceed 3 years, and must consist of classroom and hands-on training, as well as testing. CSXT states that the simulation will improve the employee’s knowledge of air brake components and functions and increases proficiency when performing the Class I freight air brake test.

The simulation is based on performance of a Class I freight air brake test and is designed to place the user in a virtual realistic scenario. The user is required to perform a variety of inspection and remediation tasks relating to preprogrammed defects including, but not limited to, closed cut-out cocks, uncoupled air hoses, closed angle cocks, improperly positioned retainer valves, and fouled brake rigging. Users are required to successfully complete all tasks in the scenario. CSXT proposes to apply this waiver system-wide to all CSXT conductors and supervisors responsible for performing Class I freight air brakes tests.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation’s (DOT) Docket Operations Facility, 1200 New Jersey Ave. SE, W12–140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or

comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Website:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Fax:* 202–493–2251.
- *Mail:* Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Ave. SE, W12–140, Washington, DC 20590.
- *Hand Delivery:* 1200 New Jersey Ave. SE, Room W12–140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by March 16, 2020 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. See also <https://www.regulations.gov/privacyNotice> for the privacy notice of www.regulations.gov.

BILLING CODE 4910–06–P

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****[Docket Number FRA–2007–27287]****Petition for Waiver of Compliance**

Under part 211 of title 49 of the Code of Federal Regulations (CFR), this provides the public notice that by letter received January 18, 2020, BNSF Railway (BNSF) petitioned the Federal Railroad Administration (FRA) for an extension of a waiver of compliance contained in Docket Number FRA–2007–27287.

Specifically, BNSF seeks a second extension of relief from the 2-year periodic testing requirements in §§ 236.377, *Approach locking*; 236.378, *Time locking*; 236.379, *Route locking*; 236.380, *Indication locking*; and 236.381, *Traffic locking*.

BNSF states that since the original waiver approval, 95.2% of all eligible locations across BNSF’s network have been enrolled in this waiver program and received waiver-based locking tests on the extended schedule with no issues. BNSF is confident that by using this method, it has reduced the amount of disruption to signal circuits and operations while spending less time foul of track. Leveraging the benefits of technology and reducing the opportunity for human failure yields additional safety benefits, making this BNSF’s desired method for performing these tests.

BNSF requests to extend the waiver indefinitely. BNSF states it will maintain the testing procedures and testing interval as outlined in the waiver. BNSF further asks to eliminate the requirement to submit to FRA an annual updated listing of the eligible locations, because BNSF has already enrolled the substantial majority of eligible locations.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the Department of Transportation’s Docket Operations Facility, 1200 New Jersey Ave. SE, W12–140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they

should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Website:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Fax:* 202-493-2251.
- *Mail:* Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Ave. SE, W12-140, Washington, DC 20590.
- *Hand Delivery:* 1200 New Jersey Ave. SE, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by March 16, 2020 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

Fiscal Year 2020 Competitive Funding Opportunity; Grants for Buses and Bus Facilities Program

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Notice of funding opportunity (NOFO).

SUMMARY: The Federal Transit Administration (FTA) announces the opportunity to apply for approximately

\$454.6 million in fiscal year (FY) 2020 funds under the Grants for Buses and Bus Facilities Program (CFDA#20.526). As required by federal public transportation law and subject to funding availability, funds will be awarded competitively to assist in the financing of capital projects to replace, rehabilitate, purchase or lease buses and related equipment, and to rehabilitate, purchase, construct or lease bus-related facilities. Projects may include costs incidental to the acquisition of buses or to the construction of facilities, such as the costs of related workforce development and training activities, and project administration expenses. FTA may award additional funds if they are made available to the program prior to the announcement of project selections.

DATES: Complete proposals must be submitted electronically through the GRANTS.GOV "APPLY" function by 11:59 p.m. Eastern Time on March 30, 2020. Prospective applicants should initiate the process by promptly registering on the GRANTS.GOV website to ensure completion of the application process before the submission deadline. Instructions for applying can be found on FTA's website at <http://transit.dot.gov/howtoapply> and in the "FIND" module of GRANTS.GOV.

The GRANTS.GOV funding opportunity ID is FTA-2020-006-BUS. Mail and fax submissions will not be accepted.

FOR FURTHER INFORMATION CONTACT: Mark Bathrick, FTA Office of Program Management, 202-366-9955, or mark.bathrick@dot.gov.

A. Program Description

Federal public transportation law (49 U.S.C. 5339(b)) authorizes FTA to award funds for the Grants for Buses and Bus Facilities Program through a competitive process, as described in this notice, for capital projects to replace, rehabilitate, purchase or lease buses and related equipment and to rehabilitate, purchase, construct or lease bus-related facilities.

The purpose of the Grants for Buses and Bus Facilities Program is to assist in the financing of capital projects for buses and bus facilities, including replacing, rehabilitating, purchasing, or leasing buses or related equipment, and rehabilitating, purchasing, constructing, or leasing bus-related facilities.

The Grants for Buses and Bus Facilities Program provides funds to eligible applicants including designated recipients that allocate funds to fixed route bus operators, states or local governmental entities that operate fixed route bus service, and Indian tribes. FTA also may award grants to eligible recipients for projects to be undertaken by subrecipients. Eligible subrecipients include all otherwise eligible applicants and also private nonprofit organizations engaged in public transportation. In accordance with Federal public transportation law (49 U.S.C. 5339(b)(2)), FTA will "consider the age and condition of buses, bus fleets, related equipment, and bus-related facilities" in selecting projects for funding. FTA may prioritize projects that demonstrate how they will address significant repair and maintenance needs, improve the safety of transit systems and deploy connective projects that include advanced technologies to connect bus systems with other networks.

In FY 2020, FTA is encouraging applicants to propose projects that introduce innovative technologies or practices in support of FTA's Accelerating Innovative Mobility (AIM) initiative. FTA is focused on the introduction of new technology not commonly found within U.S. transit systems such as integrated fare payment systems permitting complete trips or advancements to propulsion systems. Innovation can also include practices such as new public transportation operational models, financial or procurement arrangements, or value capture.

B. Federal Award Information

Federal public transportation law (49 U.S.C. 5338(a)(2)(M)) authorizes \$289,044,179 in FY 2020 funds for the Grants for Buses and Bus Facilities Program. The Further Consolidated Appropriations Act, 2020 appropriated an additional \$170,000,000 for the Grants for Buses and Bus Facilities Program. After the mandatory oversight takedown of \$4,417,831 FTA is announcing the availability of \$454,626,348 for the Grants for Buses and Bus Facilities Program through this notice.

As required by Federal public transportation law (49 U.S.C. 5339(b)(5))
