

currently approved information collection.

Abstract: Commission rule 150.4 provides that all persons holding a greater than 10 percent ownership or equity interest in another entity can avail themselves of an exemption in rule 150.4(b)(2) to disaggregate the positions of the owned entity. To claim the exemption, a person needs to meet certain criteria and file a notice with the Commission in accordance with the provisions of the rule. The rules establish reporting and recordkeeping requirements. Rule 150.4(b)(2) (would establish an exemption for a person to disaggregate the positions of a separately organized entity); 150.4(b)(5) (would expand the exemption for independent account controllers to include additional eligible participants); and 150.4(b)(8) (provides an exemption from aggregation where the sharing of information between persons would cause either person to violate federal law).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On November 19, 2019, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 84 FR 63861 ("60-Day Notice"). The Commission did not receive any relevant comments on the 60-Day Notice.

Burden Statement: The burden for this collection applies to an eligible entity as defined in Part 150. The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 240.

Estimated Total Annual Responses: 340.

Estimated Average Burden Hours per Response: 20.15.

Estimated Total Annual Burden Hours: 6850.

Frequency of Collection: Once.

There are no capital costs or operating and maintenance costs associated with this collection.

Mailing address is Defense Science Board, 3140 Defense Pentagon, Room 3B888A, Washington, DC 20301-3140. Website: <http://www.acq.osd.mil/dsb/>. The most up-to-date changes to the meeting agenda can be found on the website.

SUPPLEMENTARY INFORMATION: Due to circumstances beyond the control of the Department of Defense and the Designated Federal Officer, the Defense Science Board was unable to provide public notification required by 41 CFR 102-3.150(a) concerning the meeting on February 11 thru 12, 2020 of the Defense Science Board. Accordingly, the Advisory Committee Management Officer for the Department of Defense, pursuant to 41 CFR 102-3.150(b), waives the 15-calendar day notification requirement.

This meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) (5 U.S.C., Appendix), the Government in the Sunshine Act (5 U.S.C. 552b), and 41 CFR 102-3.140 and 102-3.150.

Purpose of the Meeting

The mission of the DSB is to provide independent advice and recommendations on matters relating to the DoD's scientific and technical enterprise. The objective of the meeting is to obtain, review, and evaluate classified information related to the DSB's mission. DSB members will meet to discuss classified future dimensions of conflict that might be exploited by

our near-peer competitors and adversaries in response to the DSB's 2020 Summer Study on New Dimensions of Conflict tasking.

Agenda

The DSB meeting will begin on February 11, 2020 at 8:00 a.m. with opening remarks by Mr. Kevin Doxey, the Designated Federal Officer (DFO), and Dr. Craig Fields, DSB Chairman. The members of the study will meet to discuss classified future dimensions of conflict that might be exploited by our near-peer competitors and adversaries. Following break, the members will resume their meeting. The meeting will adjourn at 5:00 p.m. On February 12, 2020, the meeting will begin at 8:00 a.m. with a discussion of classified future dimensions of conflict that might be exploited by our near-peer competitors and adversaries. Following break, the members will resume their meeting. The meeting will adjourn at 4:00 p.m.

Meeting Accessibility

In accordance with Section 10(d) of the FACA and 41 CFR 102-3.155, the DoD has determined that the DSB meeting will be closed to the public. Specifically, the Under Secretary of Defense (Research and Engineering), in consultation with the DoD Office of General Counsel, has determined in writing that the meeting will be closed to the public because it will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the consideration that it is expected that discussions throughout will involve classified matters of national security concern. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meetings. To permit the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the DSB's findings and recommendations to the Secretary of Defense and to the Under Secretary of Defense (Research and Engineering).

Written Statements

In accordance with Section 10(a)(3) of the FACA and 41 CFR 102-3.105(j) and 102-3.140, interested persons may submit a written statement for consideration by the DSB at any time regarding its mission or in response to the stated agenda of a planned meeting. Individuals submitting a written statement must submit their statement to the DSB DFO provided in the **FOR FURTHER INFORMATION CONTACT** section at

any point; however, if a written statement is not received at least three calendar days prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the DSB until a later date.

Dated: January 27, 2020.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
