

During the March 2–4, 2020, meeting, NACRHHS will examine two topics: Maternal and Obstetric Care Challenges in Rural America and HIV Prevention and Treatment Challenges in Rural America. Refer to the NACRHHS website for any updated information concerning the meeting.

Members of the public will have the opportunity to provide comments. Public participants may submit written statements in advance of the scheduled meeting. Oral comments will be honored in the order they are requested and may be limited as time allows. Requests to submit a written statement or make oral comments to NACRHHS should be sent to Steven Hirsch, using the contact information above, at least 3 business days prior to the meeting.

Individuals who plan to attend and need special assistance or another reasonable accommodation should notify Steven Hirsch at the address and phone number listed above at least 10 business days prior to the meeting. Since the meeting at the CDC occurs in a federal government building, attendees must go through a security check to enter the building. Non-U.S. Citizen attendees must notify Steven Hirsch of their planned attendance at least 20 business days prior to the meeting in order to facilitate their entry into the building. All attendees are required to present government-issued identification prior to entry.

Maria G. Button,

Director, Division of the Executive Secretariat.

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meeting of the National Clinical Care Commission

AGENCY: Office of Disease Prevention and Health Promotion, Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: The National Clinical Care Commission (the Commission) will conduct a virtual meeting on February 19, 2020. The Commission is charged to evaluate and make recommendations to the U.S. Department of Health and Human Services (HHS) Secretary and Congress regarding improvements to the coordination and leveraging of federal programs related to diabetes and its complications.

DATES: The meeting will take place on February 19, 2020, from 1 p.m. to approximately 5 p.m. Eastern Standard Time (EST).

ADDRESSES: The meeting will be held online via webinar. To register to attend the meeting, please visit the registration website at https://kauffmaninc.adobeconnect.com/nccc_feb2020/event/event_info.html.

FOR FURTHER INFORMATION CONTACT: Linda Harris, Designated Federal Officer, National Clinical Care Commission, U.S. Department of Health and Human Services, Office of the Assistant Secretary for Health, Office of Disease Prevention and Health Promotion, 1101 Wootton Parkway, Suite 420, Rockville, MD 20852. Email: OHQ@hhs.gov. Telephone: 240–453–8262.

SUPPLEMENTARY INFORMATION: The National Clinical Care Commission Act (Pub. L. 115–80) requires the HHS Secretary to establish the National Clinical Care Commission. The Commission consists of representatives of specific federal agencies and non-federal individuals and entities who represent diverse disciplines and views. The Commission will evaluate and make recommendations to the HHS Secretary and Congress regarding improvements to the coordination and leveraging of federal programs related to diabetes and its complications.

The sixth meeting will be held virtually, and will consist of presentations from the Centers for Medicare and Medicaid Services (CMS). The final meeting agenda will be available prior to the meeting at <https://health.gov/hcq/national-clinical-care-commission.asp>.

Public Participation at Meeting: The Commission invites public comment on issues related to the Commission's charge. There will be an opportunity for oral comments at this virtual meeting. Virtual attendees who plan to provide oral comments at the Commission meeting during a designated time must register prior to the meeting. To virtually attend the Commission meeting, individuals must pre-register at the registration website at https://kauffmaninc.adobeconnect.com/nccc_feb2020/event/event_info.html.

Written comments are welcome throughout the entire development process of the Commission's work and may be emailed to OHQ@hhs.gov, or by mail to the following address: Public Commentary, National Clinical Care Commission, 1101 Wootton Parkway, Suite 420, Rockville, MD 20852. Written comments should not exceed three pages in length.

Individuals who need special assistance with reasonable accommodations, should indicate the special accommodation when registering online or by notifying Jennifer Gillissen at jennifer.gillissen@kauffmaninc.com by February 7, 2020. **Authority:** The National Clinical Care Commission is required under the National Clinical Care Commission Act (Pub. L. 115–80). The Commission is governed by provisions of the Federal Advisory Committee Act (FACA), Public Law 92–463, as amended (5 U.S.C., App.) which sets forth standards for the formation and use of federal advisory committees.

Dated: January 23, 2020.

Donald Wright,

Deputy Assistant Secretary for Health.

BILLING CODE 4150–32–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meeting of the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria

AGENCY: Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) is hereby giving notice that a meeting is scheduled to be held for the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (PACCARB). The meeting will be open to the public; a public comment session will be held during the meeting. Pre-registration is required for members of the public who wish to attend the meeting and who wish to participate in the public comment session. Individuals who wish to attend the meeting and/or send in their public comment via email should send an email to CARB@hhs.gov. Registration information is available on the website <http://www.hhs.gov/paccarb> and must be completed by February 19, 2020; all in-person attendees must pre-register by this date. Additional information about registering for the meeting and providing public comment can be obtained at <http://www.hhs.gov/paccarb> on the Meetings page.

DATES: The meeting is scheduled to be held on February 26, 2020, from 9:00 a.m. to 4:30 p.m. and February 27, 2020, from 9:00 a.m. to 4:00 p.m. ET (times are tentative and subject to change). The confirmed times and agenda items for

the meeting will be posted on the website for the PACCARB at <http://www.hhs.gov/paccarb> when this information becomes available. Pre-registration for attending the meeting in person is required to be completed no later than February 19, 2020; public attendance at the meeting is limited to the available space.

ADDRESSES: Hubert H. Humphrey Building, The Great Hall, 200 Independence Ave. SW, Washington, DC 20201. The meeting can also be accessed through a live webcast and via teleconference on the day of the meeting. For more information, visit <http://www.hhs.gov/paccarb>.

FOR FURTHER INFORMATION CONTACT: Jomana Musmar, M.S., Ph.D., Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Office of the Assistant Secretary for Health, U.S. Department of Health and Human Services, Room L616, Switzer Building, 330 C St. SW, Washington, DC 20201. Email: CARB@hhs.gov. Telephone: (202) 795-7678.

SUPPLEMENTARY INFORMATION: The Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (PACCARB), established by Executive Order 13676, is continued by Section 505 of Public Law 116-22, the Pandemic and All-Hazards Preparedness and Advancing Innovation Act of 2019 (PAHPAIA). Activities and duties of the Advisory Council are governed by the provisions of the Federal Advisory Committee Act (FACA), Public Law 92-463, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

The PACCARB shall advise and provide information and recommendations to the Secretary regarding programs and policies intended to reduce or combat antibiotic-resistant bacteria that may present a public health threat and improve capabilities to prevent, diagnose, mitigate, or treat such resistance. The PACCARB shall function solely for advisory purposes.

Such advice, information, and recommendations may be related to improving: The effectiveness of antibiotics; research and advanced research on, and the development of, improved and innovative methods for combating or reducing antibiotic resistance, including new treatments, rapid point-of-care diagnostics, alternatives to antibiotics, including alternatives to animal antibiotics, and antimicrobial stewardship activities; surveillance of antibiotic-resistant

bacterial infections, including publicly available and up-to-date information on resistance to antibiotics; education for health care providers and the public with respect to up-to-date information on antibiotic resistance and ways to reduce or combat such resistance to antibiotics related to humans and animals; methods to prevent or reduce the transmission of antibiotic-resistant bacterial infections; including stewardship programs; and coordination with respect to international efforts in order to inform and advance the United States capabilities to combat antibiotic resistance.

The February 26-27 public meeting will be dedicated to the swearing-in of four new voting members, and acknowledging the dedication of retiring voting members. The remainder of the two-day public meeting will include antimicrobial (AMR)-focused panel presentations and council discussions on topics ranging from: Innovations to disease prevention and management for both human and animal health, the changing AMR landscape, the gut microbiome, and the future demand for food production, with an in depth look at aquaculture production and management practices. The meeting agenda will be posted on the PACCARB website at <http://www.hhs.gov/paccarb> when it has been finalized. All agenda items are tentative and subject to change.

Public attendance at the meeting is limited to the available space. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the PACCARB at the address/ telephone number listed above at least one week prior to the meeting. For those unable to attend in person, a live webcast will be available. More information on registration and accessing the webcast can be found at <http://www.hhs.gov/paccarb>.

Members of the public will have the opportunity to provide comments prior to the public meeting by emailing CARB@hhs.gov. Public comments should be sent in by midnight February 10, 2020, and should be limited to no more than one page.

Dated: January 10, 2020.

Jomana F. Musmar,

Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Committee Manager.
