SUPPLEMENTARY INFORMATION:

Title of Collection: VISTA Project Implementation Evaluation Sponsor Survey.

OMB Control Number: TBD.

Type of Review: New.

Respondents/Affected Public:

Businesses and Organizations.

Total Estimated Number of Annual Responses: 800.

Total Estimated Number of Annual Burden Hours: 200.

Abstract: To inform CNCS's implementation of its Transformation and Sustainability Plan, a CNCS contractor will conduct a study about Volunteers in Service to America (VISTA) project development, management, and sustainability, including member recruitment and retention. The survey of approximately 800 VISTA project sponsors, which will be administered online, will help to identify implementation challenges and best practices among VISTA project sponsors, will be used to make program improvements and mitigate potential challenges, and will also be used to develop training and technical assistance materials to strengthen and enhance VISTA programming. Sponsors will be sent individualized emails and survey data will be merged with existing administrative data regarding project characteristics.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of

collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on regulations.gov.

Dated: January 28, 2020.

Desiree Tucker-Sorini,
Director, AmeriCorps VISTA.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Application to Operate a Military Auxiliary Radio System (MARS) Station, Army MARS Form AM-1, OMB Control Number 0702-0140.

Type of Request: Extension.

Number of Respondents: 550.

Responses per Respondent: 1.

Annual Responses: 550.

Average Burden per Response: 15 minutes.

Annual Burden Hours: 137.5.

Needs and Uses: The information collection requirement is necessary to operate a Military Auxiliary Radio System (MARS) Station. The MARS program is a civilian auxiliary consisting primarily of licensed amateur radio operators who are interested in assisting the military with communications on a local, national, and international basis as an adjunct to normal communications and providing worldwide auxiliary emergency communications during times of need. The information collection requirement is necessary not only an application to join ARMY MARS, but to maintain an accurate roster of civilians enrolled in the program for the purpose of providing contingency communications support to the Department of Defense. Additionally, the collected information is used by the MARS program manager to determine an individual's eligibility for the program, as well as to initiate a background investigation should a security clearance be required; used to show the geographic dispersion of the members who participate in the global High Frequency radio network in support of the Department of Defense; and to ensure our radio spectrum authorizations cover the geographic areas from which our members will operate. The information is also used periodically to email informational updates about the MARS program.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.
OMB Desk Officer: Ms. Jasmeet Seehra.
