Multilayered Wood Flooring From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and New Shipper Review, Preliminary Determination of No Shipments, and Rescission of Review, in Part; 2017-2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain companies covered by the administrative review and new shipper reviews did not make sales of subject merchandise at prices below normal value (NV). We invite interested parties

to comment on these preliminary results.

DATES: Applicable February 6, 2020.

FOR FURTHER INFORMATION CONTACT: Sergio Balbontin or Alexis Cherry, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6478 or (202) 482-0607, respectively.

SUPPLEMENTARY INFORMATION:**Background**

Commerce is conducting an administrative review and an aligned new shipper review (NSR) of the antidumping duty order on multilayered wood flooring (MLWF) from the People's Republic of China (China). The period of review (POR) for both reviews is December 1, 2017 through November 30, 2018. The administrative review covers 99 companies, including two mandatory respondents: The Fusong Jinlong Group¹ (Jinlong) and Jiangsu Guyu International Trade Co., Ltd. (Guyu). The new shipper review covers Muchsee Wood (Chuzhou) Co., Ltd. (Muchsee Wood). We preliminarily determine that sales of subject merchandise by Jinlong and Guyu have not been made at prices below NV.² We also preliminarily determine that a single sale of subject merchandise by Muchsee Wood has not been made at prices below NV.³ In addition, we are preliminarily granting separate rates to Jinlong, Guyu, Muchsee Wood and 54 producers/exporters, and determine that 21 producer/exporters made no shipments of subject merchandise during the POR. Finally, we are rescinding the review with respect to

¹ Commerce has previously indicated that Dalian Qianqiu Wooden Product Co., Ltd. (Dalian Qianqiu), Fusong Jinlong Wooden Group Co., Ltd. (Fusong Jinlong), Fusong Jinqiu Wooden Product Co., Ltd. (Fusong Jinqiu), and Fusong Qianqiu Wooden Product Co., Ltd. (Fusong Qianqiu) are collectively known as the "Fusong Jinlong Group." See e.g., *Multilayered Wood Flooring from the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2011-2012*, 79 FR 26712 (May 9, 2014) at n.14. We are addressing the status of these companies in a preliminary affiliation and collapsing analysis memorandum based on information on the record of this administrative review. See Memorandum, "Decision Memorandum for the Preliminary Results in the Antidumping Duty Administrative Review and New Shipper Review: Multilayered Wood Flooring from the People's Republic of China; 2017-2018" (Preliminary Decision Memorandum), dated concurrently with, and hereby adopted by, this notice, at the "Affiliation and Single Entity" section.

² See Preliminary Decision Memorandum.

³ *Id.*

Jilin Forest Industry Jinqiao Flooring Group Co., Ltd. (Jinqiao Flooring).

Scope of the Order ⁴

The product covered by the *Order* is MLWF from China. For a complete description of the scope of this administrative review, see the Preliminary Decision Memorandum.

Partial Rescission of Review

Commerce initiated a review of 99 companies in this administrative review ⁵ and one company in this new shipper review. ⁶ Shenzhenshi Huanwei Woods Co., Ltd. (Huanwei Woods) and Jinqiao Flooring submitted timely requests to withdraw from the administrative review. ⁷ No other parties requested a review of Jinqiao Flooring; however, the American Manufacturers of Multilayered Wood Flooring (the petitioners) requested a review of Huanwei Woods. ⁸ Accordingly, Commerce is rescinding the administrative review only with respect to Jinqiao Flooring. ⁹

Preliminary Determination of No Shipments

Based on an analysis of information from U.S. Customs and Border Protection (CBP), no shipment certifications, and other record information, we preliminarily determine that 21 companies had no shipments of

subject merchandise during the POR. ¹⁰ For additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our practice in non-market economy (NME) cases, we are not rescinding this administrative review with respect to these companies but, rather, intend to complete the review and issue appropriate instructions to CBP based on the final results of the review. ¹¹

Separate Rates

We preliminarily determine that, in addition to Jinlong and Guyu, 54 companies not individually examined are eligible for separate rates in this administrative review. ¹² We also preliminarily determine that Muchsee Wood is eligible for a separate rate in this new shipper review.

The statute and Commerce's regulations do not address the establishment of a separate rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Tariff Act of 1930, as amended (the Act). Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for separate-rate respondents which Commerce did not examine individually in an administrative review. For the preliminary results of this administrative review, Commerce has determined the estimated dumping margins for Jinlong and Guyu to be zero. ¹³ Because this is the only calculated POR margin available and in light of *Albemarle Corp. v. United States*, we are assigning this rate to all eligible non-selected respondents who qualify for a separate rate in this administrative review. ¹⁴

¹⁰ See Appendix II for a list of these companies.

¹¹ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65694–95 (October 24, 2011) (*NME AD Assessment*) and the "Assessment Rates" section, below.

¹² See Preliminary Decision Memorandum at 11–15, for more details.

¹³ See Memoranda, "Preliminary Results Margin Calculation for the Fusong Jinlong Group" and "Preliminary Results Margin Calculation for Jiangsu Guyu International Trading Co., Ltd.," both dated concurrently with this notice; see also Preliminary Decision Memorandum.

¹⁴ See *Albemarle Corp. v. United States*, 821 F.3d 1345 (Fed. Cir. 2016); see also Preliminary Decision Memorandum at the "Weighted-Average Dumping Margin for Non-Examined Separate-Rate Companies in the Administrative Review" section, for more details.

The China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review. ¹⁵ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, the entity is not under review, and the entity's rate is not subject to change.

Aside from the companies we preliminarily find made no shipments and the company for which the review is being rescinded, Commerce considers all other companies for which a review was requested and which did not demonstrate separate rate eligibility to be part of the China-wide entity. ¹⁶ For the preliminary results of this review, we consider 18 companies to be part of the China-wide entity. For additional information, see the Preliminary Decision Memorandum.

Methodology

We are conducting these reviews in accordance with sections 751(a)(1)(B) and 751(a)(2)(B) of the Act and 19 CFR 351.213 and 351.214. We calculated export prices for Jinlong, Guyu, and Muchsee Wood in accordance with section 772(a) of the Act. Because China is an NME within the meaning of section 771(18) of the Act, we calculated NV in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Commerce building. ¹⁶ See *Initiation Notices* ("All firms listed below that wish to qualify for separate rate status in the administrative reviews involving NME countries must complete, as appropriate, either a separate rate application or certification, as described below.") Companies that are subject to this administrative review that are considered to be part of the China-wide entity are listed in Appendix II.

Disclosure and Public Comment

We intend to disclose to interested parties the calculations performed for these preliminary results within five days of the date of publication of this

notice in accordance with 19 CFR 351.224(b). Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review.¹⁷ Rebuttals to case briefs may be filed no later than five days after the written comments are filed, and all rebuttal comments must be limited to comments raised in the case briefs.¹⁸

Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, we intend to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, we intend to issue the final results of these reviews, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by these reviews, in accordance with 19 CFR 351.212(b). For the companies for which the administrative review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue appropriate assessment instructions

¹⁷ See 19 CFR 351.309(c).

¹⁸ See 19 CFR 351.309(d).

with respect to the companies for which this administrative review is rescinded to CBP 15 days after the publication of this notice.

For any individually examined respondent whose (estimated) *ad valorem* weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total quantity of those sales, in accordance with 19 CFR 351.212(b)(1).¹⁹ Commerce will also calculate (estimated) *ad valorem* importer-specific assessment rates with which to assess whether the per-unit assessment rate is *de minimis*. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate calculated in the final results of this review is not zero or *de minimis*. If the individually examined respondents' *ad valorem* weighted-average dumping margins continue to be zero or *de minimis* in the final results, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*,²⁰ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the respondents that were not selected for individual examination in this administrative review that qualified for a separate rate, the assessment rate will be the separate rate established in the final results of this administrative review. If, in the final results, this rate continues to be zero or *de minimis* (i.e., less than 0.5 percent), Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries that were not reported in the U.S. sales databases submitted by the individually examined respondent, and for the 18 companies that did not qualify for a separate rate in the administrative review, Commerce will instruct CBP to liquidate such entries at the China-wide rate (i.e., 85.13 percent).²¹ In addition, if we continue to find in the final results no shipments of

subject merchandise for the companies for which we preliminarily find no such shipments during the POR,²² Commerce will instruct CBP to liquidate any suspended entries of subject merchandise from those companies at the China-wide rate, with the exception of certain entries from Yingyi-Nature and Changzhou Hawd that Commerce will identify in appropriate instructions to CBP.²³

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of the reviews for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be the established in the final results; (2) for previously investigated or reviewed Chinese and non-Chinese exporters for which a review was not requested and that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (i.e., 85.13 percent); and (4) for all non-China exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

SUPPLEMENTARY INFORMATION:

I. Abstract

The National Marine Fisheries Service (NMFS) is requesting extension of a currently approved information collection for the Crab Rationalization Program (CR Program). The information being collected is necessary for NMFS to manage the CR Program.

NMFS manages the king and Tanner crab fisheries in the exclusive economic zone of the Bering Sea and Aleutian Islands under the Fishery Management Plan for Bering Sea and Aleutian Islands King and Tanner Crabs (FMP). The North Pacific Fishery Management Council prepared the FMP under the Magnuson-Stevens Fishery Conservation and Management Act as amended in 2006. Regulations implementing the FMP and the CR Program appear at 50 CFR part 680. Information on the CR Program is posted on the NMFS Alaska Region website at: <https://www.fisheries.noaa.gov/alaska/sustainable-fisheries/bering-sea-and-aleutian-islands-bsai-crab-rationalization-program>.

NMFS established the CR Program as a catch share program for nine crab fisheries in the BSAI and assigned quota share (QS) to persons and processor quota share (PQS) to processors based on their historic participation in one or more of these nine crab fisheries during a qualifying period. Under the CR Program, share allocations to harvesters and processors and incentives to participate in fishery cooperatives increase efficiencies, provide economic stability, and facilitate compensated reduction of excess capacities in the harvesting and processing sectors. Community interests are protected by Western Alaska Community Development Quota (CDQ) allocations, regional landing and processing requirements, and other measures.

CR Program components include QS allocation, PQS allocation, individual fishing quota (IFQ) issuance, individual processing quota (IPQ) issuance, quota transfers, use caps, crab harvesting cooperatives, protections for Gulf of Alaska groundfish fisheries, QS/PQS matching, an arbitration system, monitoring, economic data collection, and cost recovery fee collection.

This information collection contains the forms used by participants in the CR Program to apply for or renew permits; transfer or lease IFQ, IPQ, QS, or PQS; and apply for exemption from regional delivery requirements. This information collection also contains the following reports for which no collection forms are used:

- The North or South Region Delivery Exemption Report is submitted by IFQ holders who signed a preseason application. This report provides NMFS with the means to assess how the industry is exercising the exemption opportunity and whether implementing regulations are sufficient to meet the Council's Statement of Intent for Amendment 41 to the FMP.

- The Community Impact Report or IPQ Holder Report is submitted by a community entity or IPQ holder, respectively, and provides documentation needed by NMFS to evaluate the efficacy of privately administered contracts.

- The CDQ Group Notification of Community Representative is submitted by the CDQ groups representing Saint Paul and Saint George to designate to NMFS a single entity as the regional representative for these two communities.

- The Eligible Crab Community Organization (ECCO) Annual Report is submitted by the ECCO. It details the use of the crab QS and IFQ and is intended to ensure that the ECCO maintains the QS and IFQ to benefit residents of eligible communities.

II. Method of Collection

Information is collected primarily via mail, fax, or email. The following may be submitted online through eFISH on the NMFS Alaska Region website: The Application for Transfer (Lease) of Crab IPQ, the Application for Transfer of IFQ between Crab Harvesting Cooperatives, and renewals of registered crab receiver permits and Federal crab vessel permits.
