Certain Softwood Lumber Products From Canada: Preliminary Results and Partial Rescission of the Countervailing Duty Administrative Review; 2017-2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain softwood lumber products (softwood lumber) from Canada. The period of review is April 28, 2017 through December 31, 2018. Interested parties are invited to comment on these preliminary results.

DATES: Applicable February 7, 2020.

FOR FURTHER INFORMATION CONTACT: Peter Zukowski (Canfor), Nicholas Czajkowski (JDIL), Kristen Johnson (Resolute), and George McMahon (West Fraser), AD/CVD Operations, Offices I and III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0189, (202) 482-1395, (202) 482-4793, and (202) 482-1167, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published in the **Federal Register** a countervailing duty (CVD) order on softwood lumber from Canada.¹ Several interested parties requested that Commerce conduct an administrative review of the *CVD Order*, and, on April 1, 2019, Commerce published in the **Federal Register** a notice of initiation of the first administrative review of the *CVD Order*.² On May 17, 2019, Commerce selected the following

producers and exporters as the mandatory respondents in the administrative review: Canfor Corporation, Resolute FP Canada Inc., and West Fraser Mills Ltd.³ On July 18, 2019, Commerce selected J.D. Irving, Limited as a voluntary respondent in the administrative review.⁴ On September 6, 2019, Commerce postponed the preliminary results of this review extending the deadline until January 31, 2020.⁵

Scope of the Order

The product covered by this order is certain softwood lumber products from Canada. For a complete description of the scope of the order, *see* the Preliminary Decision Memorandum.⁶

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁷

For a full description of the methodology underlying our preliminary conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document that is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision

Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. The list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the review. On June 19, 2019, the Committee Overseeing Action for Lumber International Trade Investigations or Negotiations (COALITION) withdrew its request for several of the companies for which Commerce initiated an administrative review.⁸ On July 1, 2019, Fontaine, Inc. and Mobilier Rustique withdrew their respective requests for administrative review.⁹ All withdrawal of review requests were timely submitted within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order with respect to these entities for which the requests for review were withdrawn.

On January 15, 2020, Commerce issued a memorandum regarding its intent to rescind the administrative review for those companies for which a withdrawal of review request was received and invited interested parties to comment.¹⁰ On January 21, 2020, Brink Forest Products Ltd. and Vanderhoof Specialty Wood Products Ltd. (Brink Forest/Vanderhoof) submitted a comment on the companies’ exclusion from the review and stated that they should remain subject to the review.¹¹ On January 22, 2020, Tolko

Marketing and Sales Ltd. and Tolko Industries Ltd. (Tolko) submitted a comment requesting Commerce retain Tolko Industries Ltd. in the administrative review.¹² Commerce replied to the comments filed by Brink Forest/Vanderhoof and Tolko.¹³ Brink Forest/Vanderhoof are not included in the administrative review because the petitioner withdrew its request for review of the companies¹⁴ and Brink Forest/Vanderhoof did not request a review of themselves.¹⁵ The review of Tolko Industries Ltd. is not being rescinded. In the investigation,¹⁶ Commerce found Tolko Marketing and Sales Ltd. to be cross-owned with Tolko Industries Ltd. and Meadow Lake OSB Limited Partnership and, therefore, all three companies are subject to the administrative review.¹⁷

No other party submitted comments on the Intent to Rescind Memorandum. In accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this administrative review of the *CVD Order* with respect to the entities for which a withdrawal of review request was received.

Additionally, as a result of the final results of the CVD expedited review covering the *CVD Order*, subject merchandise produced and exported by certain companies is excluded from the order.¹⁸ We therefore are also rescinding the administrative review with respect to the excluded companies for which there was a request for review.

For more information on the companies for which a review was rescinded, see the Intent to Rescind Memorandum.

Rate for Non-Selected Companies Under Review

There are 247 companies for which a review was requested and not rescinded, but were not selected as mandatory respondents. The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which

provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, none of the rates for the respondents were zero, *de minimis*, or based entirely on facts available. Therefore, for 2017 and 2018, we are assigning to the non-selected companies an average of the subsidy rates calculated for the companies that were selected as respondents in the administrative review. For further information on the calculation of the non-selected rate, see "Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review" in the Preliminary Decision Memorandum.

DATES: Applicable February 7, 2020.

FOR FURTHER INFORMATION CONTACT: Manuel Rey or Whitley Herndon, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5518 or (202) 482-6274, respectively.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on CWP from the UAE. The notice of initiation of this administrative review was published on March 14, 2019.¹ This review covers 20

producers and exporters of the subject merchandise. The period of review is December 1, 2017 through November 30, 2018. On September 9, 2019, Commerce extended the deadline for the preliminary results of this administrative review until January 31, 2020.²

Commerce selected two mandatory respondents for individual examination: Conares Metal Supply Ltd. (Conares) and Universal Tube and Plastic Industries, Ltd./THL Tube and Pipe Industries LLC/KHK Scaffolding and Framework LLC (collectively, Universal).³

Scope of the Order

The merchandise subject to the order is welded carbon-quality steel pipes and tube, of circular cross-section, with an outside diameter not more than nominal 16 inches (406.4 mm), regardless of wall thickness, surface finish, end finish, or industry specification, and generally known as standard pipe, fence pipe and tube, sprinkler pipe, or structural pipe (although subject product may also be referred to as mechanical tubing). The products subject to this order are currently classifiable in Harmonized Tariff Schedule of the United States (HTSUS) statistical reporting numbers 7306.19.1010, 7306.19.1050, 7306.19.5110, 7306.19.5150, 7306.30.1000, 7306.30.5015,

³ Commerce previously determined that Universal is a collapsed entity consisting of the following three producers/exporters of subject merchandise: Universal Tube and Plastic Industries, Ltd., KHK Scaffolding and Framework LLC, and Universal Tube and Pipe Industries LLC (UTP). See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Affirmative Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 81 FR 36882 (June 8, 2016), and accompanying Preliminary Decision Memorandum, unchanged in *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Determination of Sales at Less Than Fair Value*, 81 FR 75030 (October 28, 2016), and accompanying Issues and Decision Memorandum. Because there is no information on the record of this administrative review that would lead us to revisit this determination, we are continuing to treat these companies as part of a single entity for purposes of this administrative review. Additionally, we previously determined that THL Tube and Pipe Industries LLC is the successor-in-interest to Universal Tube and Pipe Industries LLC. See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2016-2017*, 84 FR 44845 (August 27, 2019) (*CWP from UAE 2016-2017 Final Results*).

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, Room B8024 of the main Commerce building. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Results of the Review

We preliminarily determine that, for the period December 1, 2017 through November 30, 2018, the following weighted-average dumping margins exist:

Exporter/producer	Weighted-average dumping margin (percent)
Conares Metal Supply Ltd	2.49
