results of review, we are adopting the decisions in the Preliminary Decision Memorandum, and continue to find that the four companies listed above had no shipments of subject merchandise to the United States during the POR.

Because no party requested a review of the China-wide entity, we are not conducting a review of that entity⁵ and have not changed the antidumping duty cash deposit rate for the China-wide entity. The existing antidumping duty cash deposit rate for the China-wide entity is 216.01 percent.
