Notification to Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice of the final results of this antidumping duty administrative review is issued and published in accordance

with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213 and 19 CFR 351.221(b)(5).

Scope of the Order

A full description of the scope of the order is contained in the Issues and Decision Memorandum.³

Analysis of Comments Received

Only the Government of China (GOC) submitted a case brief in this proceeding, while Geelong submitted a letter in lieu of a case brief expressing agreement with the *Preliminary Results*.⁴ The issues raised by the GOC, and Commerce's analysis thereof, are identified in the Appendix to this notice and addressed in the Issues and Decision Memorandum.⁵ The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and CVD Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>; the Issues and Decision Memorandum is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Methodology

We conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable during the POR, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our

with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Changes Since the Preliminary Results

Based on the comments received from the GOC, we made no changes to our subsidy rate calculations. For a

discussion of these issues, see the Issues and Decision Memorandum.

Final Results of the Review

In accordance with 19 CFR 351.221(b)(5), we determine the following net countervailable subsidy

rates for the sole respondent, Geelong, for the period September 15, 2017 through December 31, 2018:

Company	Subsidy rate— 2017 (percent <i>ad valorem</i>)	Subsidy rate— 2018 (percent <i>ad valorem</i>)
Zhongshan Geelong Manufacturing Co. Ltd.	1.27	1.15

Assessment Rates

In accordance with 19 CFR 351.212(b)(2), Commerce intends to issue appropriate assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after publication of these final results of review, to liquidate shipments of subject merchandise produced by and/or exported by Geelong, entered, or withdrawn from warehouse, for consumption on or after September 15, 2017 through December 31, 2018, at the *ad valorem* rates listed above.

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, we intend to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Geelong for 2018 (*i.e.*, 1.15 percent *ad valorem*), on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these final results of review in accordance with sections 751(a)(1) and 777(i) of the Act.
