

Form 3–2436 under the Department of the Interior “Fast Track” generic clearance process (OMB Control Number 1090–0011). With this submission, in an effort to streamline submissions and reduce public burden, the Service is proposing to discontinue FWS Forms 3–202–21–2143 and 3–2500 and use FWS Form 3–2436, “Depredation and Control Orders—Annual Reporting” as the sole annual reporting form. Additionally, to more accurately reflect the purpose of this collection, the Service is proposing to change the title of the collection from “Depredation Orders Under 50 CFR 21.43 and 21.46” to “Depredation and Control Orders Under 50 CFR 21.”

As part of this revision, we will also request OMB approval to automate FWS Form 3–2436 in the Service’s new “ePermits” initiative, an automated system that will allow the agency to move towards a streamlined permitting and reporting process to improve customer experience and to reduce public burden. Public burden reduction is a priority for the Service; the Assistant Secretary for Fish, Wildlife, and Parks; and senior leadership at the Department of the Interior. This new system will enhance the user experience by allowing users to enter data from any device that has internet access, including personal computers (PCs), tablets, and smartphones.
