

**Register** notice regarding the revisions to the information collection under OMB Control Number 3245–0346.

*Summary of changes to: OMB Control Number 3245–0071:*

1. SBA Form 1244, Application for Section 504 Loans. This form is used by all small businesses applying for 504 loans and all CDCs applying for SBA guarantees of the debentures that are sold by CDCs to fund 504 loans. The SBA Form 1244 is currently used for all types of 504 loan processing—the Abridged Submission Method (“ASM”), non-PCLP/ASM, and Premier Certified Lenders Program (“PCLP”) processing. As discussed below, SBA Form 2450 as well as SBA Form 2234 (Parts A, B, C), will be consolidated into this form. Additional changes to SBA Form 1244 are intended to provide greater clarity for small business applicants using the Eligible Passive Company/Operating Company (EPC/OC) structure, as described in 13 CFR 120.111, that are owned by Employee Stock Ownership Plans; or are funded by 401(k) plans.

2. SBA Form 2450, Eligibility Information Required for 504 Submission (Non PCLP). Currently, this form is used by non-PCLP CDCs, including those CDCs using ASM processing, and is submitted in conjunction with the SBA Form 1244. The SBA Form 2450 is an eligibility checklist submitted by the CDC that allows SBA to determine the eligibility of the small business applicant and the 504 loan. SBA will be incorporating the content of the SBA Form 2450 into SBA Form 1244 and discontinuing the SBA Form 2450. The information that SBA will be collecting will remain substantially unchanged; however, the way in which the information is submitted will be revised. In some cases, the information will be submitted as part of the CDC’s credit memorandum, which is currently an exhibit to the SBA Form 1244. In other cases, the information will be submitted as a new exhibit to the SBA Form 1244.

3. SBA Form 2234 (Part A), Premier Certified Lenders Program (PCLP) Guarantee Request. This form is used for PCLP processing only, and serves as a cover sheet for the SBA Form 2234 (Part B) and SBA Form 2234 (Part C). To the extent that the information collected on this form is not already collected on the current SBA Form 1244, it will be incorporated into the SBA Form 1244, and the SBA Form 2234 (Part A) will be discontinued.

4. Form 2234 (Part B), Supplemental Information for Premier Certified Lender Program (PCLP) Processing. This form is used for PCLP processing only, and it collects quantifiable metrics for the 504

loan application. To the extent that the information collected on this form is not already collected on the current SBA Form 1244, it will be incorporated into the SBA Form 1244, and the SBA Form 2234 (Part B) will be discontinued.

5. SBA Form 2234 (Part C), Eligibility Information Required for 504 Submission (PCLP). Currently, this form is used for PCLP processing only. The SBA Form 2234 (Part C) is an eligibility checklist that allows a PCLP CDC to determine and certify to SBA the eligibility of the small business applicant and the 504 loan. SBA will be discontinuing this form and incorporating its content into the SBA Form 1244. The requested information will remain substantially unchanged. In some cases, the information will be submitted as part of the CDC’s credit memorandum, which is currently an exhibit to the SBA Form 1244. In other cases, the information will be submitted as a new exhibit to the SBA Form 1244.

#### Solicitation of Public Comments

## SMALL BUSINESS ADMINISTRATION

### Data Collection Available for Public Comments

**ACTION:** 60-Day notice and request for comments.

**SUMMARY:** The Small Business Administration (SBA) intends to request approval from the Office of Management and Budget (OMB) for the collection of information described below. The Paperwork Reduction Act (PRA) requires federal agencies to publish a notice in the **Federal Register** concerning each proposed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice.

**DATES:** Submit comments on or before April 13, 2020.

**ADDRESSES:** Send all comments to Mary Frias, Loan Specialist, Office of Financial Assistance, Small Business Administration, 409 3rd Street SW, Washington, DC 20416.

**FOR FURTHER INFORMATION CONTACT:** Mary Frias, Loan Specialist, Office of Financial Assistance, [mary.frias@sba.gov](mailto:mary.frias@sba.gov), (202) 401–8234, or Curtis B. Rich, Management Analyst, (202) 205–7030, [curtis.rich@sba.gov](mailto:curtis.rich@sba.gov).

**SUPPLEMENTARY INFORMATION:** This information collection consists of SBA Form 2233, PCLP Quarterly Loan Loss Reserve Report; Form 2234 (Part A), Premier Certified Lenders Program (PCLP) Guarantee Request; Form 2234 (Part B), Supplemental Information for Premier Certified Lender Program (PCLP) Processing; and Form 2234 (Part C), Eligibility Information Required for 504 Submission (PCLP). SBA is proposing to revise this collection by cancelling Form 2234 and making minor edits to Form 2233.

Form 2233 will continue to be used by PCLP Certified Development Companies (PCLP CDCs) to report their quarterly loan loss reserves. SBA has made a few changes to the form relating to whether PCLP CDCs are using the Declining Balance Methodology in calculating its LLRF balances. This change ensures consistency with recent regulatory amendments in SBA’s

December 4, 2019, final rule: *Streamlining and Modernizing Certified Development Company Program (504 Loan Program) Corporate Governance Requirements* (84 FR 66287). SBA also made minor edits to this form to clarify reporting instructions. The burden hours to complete Form 2233 are unchanged.

With the cancellation of Form 2234 (Parts A, B, and C), SBA is proposing to incorporate the non-duplicative questions into SBA Form 1244, which is approved under OMB Control Number 3245-0071. SBA is publishing a separate **Federal Register** notice to address the revisions to that information collection. The specific rationale for cancelling Form 2234 (Parts A, B, and C) is as follows:

- Form 2234 (Part A): This form serves as a cover sheet for the Form 2234 (Part B). Most of the information collected on this form is collected on the current SBA Form 1244; any information that is not duplicative will be incorporated into that form.
- Form 2234 (Part B): This form collects quantifiable metrics for the application in addition to the impacts expected to be gained as a result of the project. Most of the information is already collected on Form 1244, including the credit memorandum; any non-duplicative information will be incorporated into the revised Form 1244.
- Form 2234 (Part C): This form is a checklist comprised of yes/no questions. The information collected is used to determine the eligibility of the applicant and the 504 project. The content of this form will be incorporated into the SBA Form 1244. The information collected will remain substantially unchanged. Following the cancellation of Part C, some of the information will be submitted as part of the credit memorandum, which is currently an exhibit to the SBA Form 1244, and other information will be submitted as a new exhibit to the SBA Form 1244.

**Solicitation of Public Comments:** SBA is requesting comments on (i) Whether the collection of information is necessary for the agency to properly perform its functions; (ii) whether the burden estimates are accurate; (iii) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (iv) whether there are ways to enhance the quality, utility, and clarity of the information.
